CHOWANOKA 1986

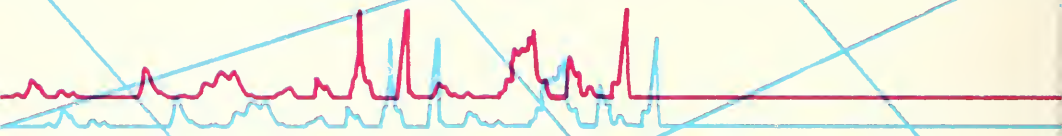
Chowan College
Murfreesboro, North Carolina
(919) 398-4101
Population: 963
Volume XL111

O E = Th

Observation + Experimentation = Theory

Hw Po = R

Hard Work + Promptness = Results

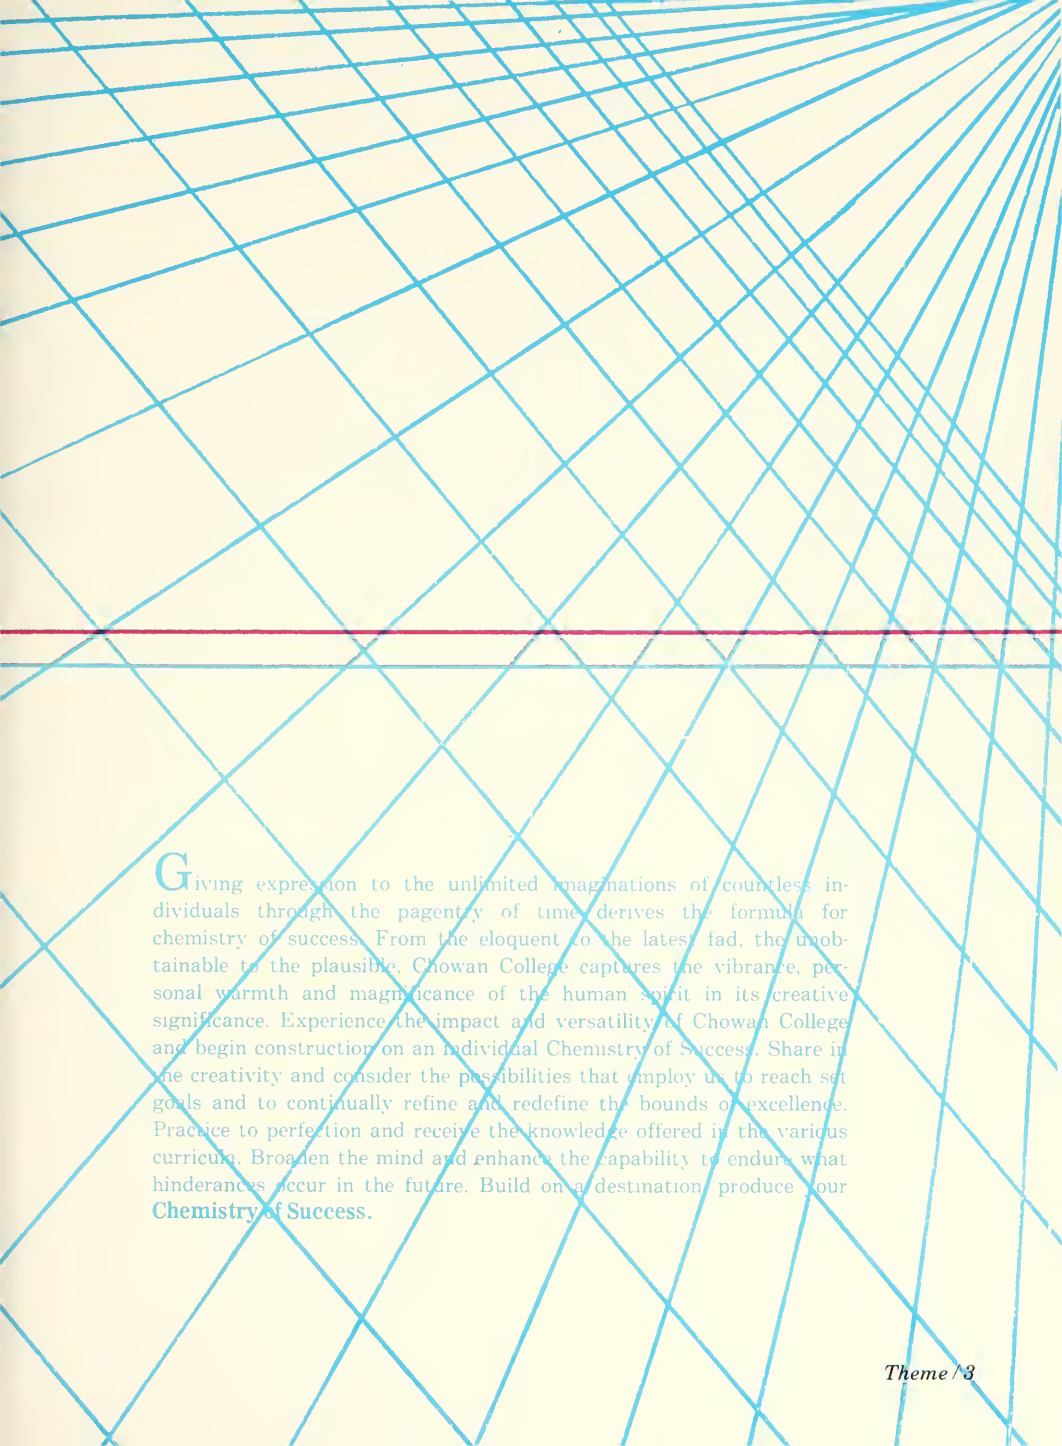


$L_2S = K$

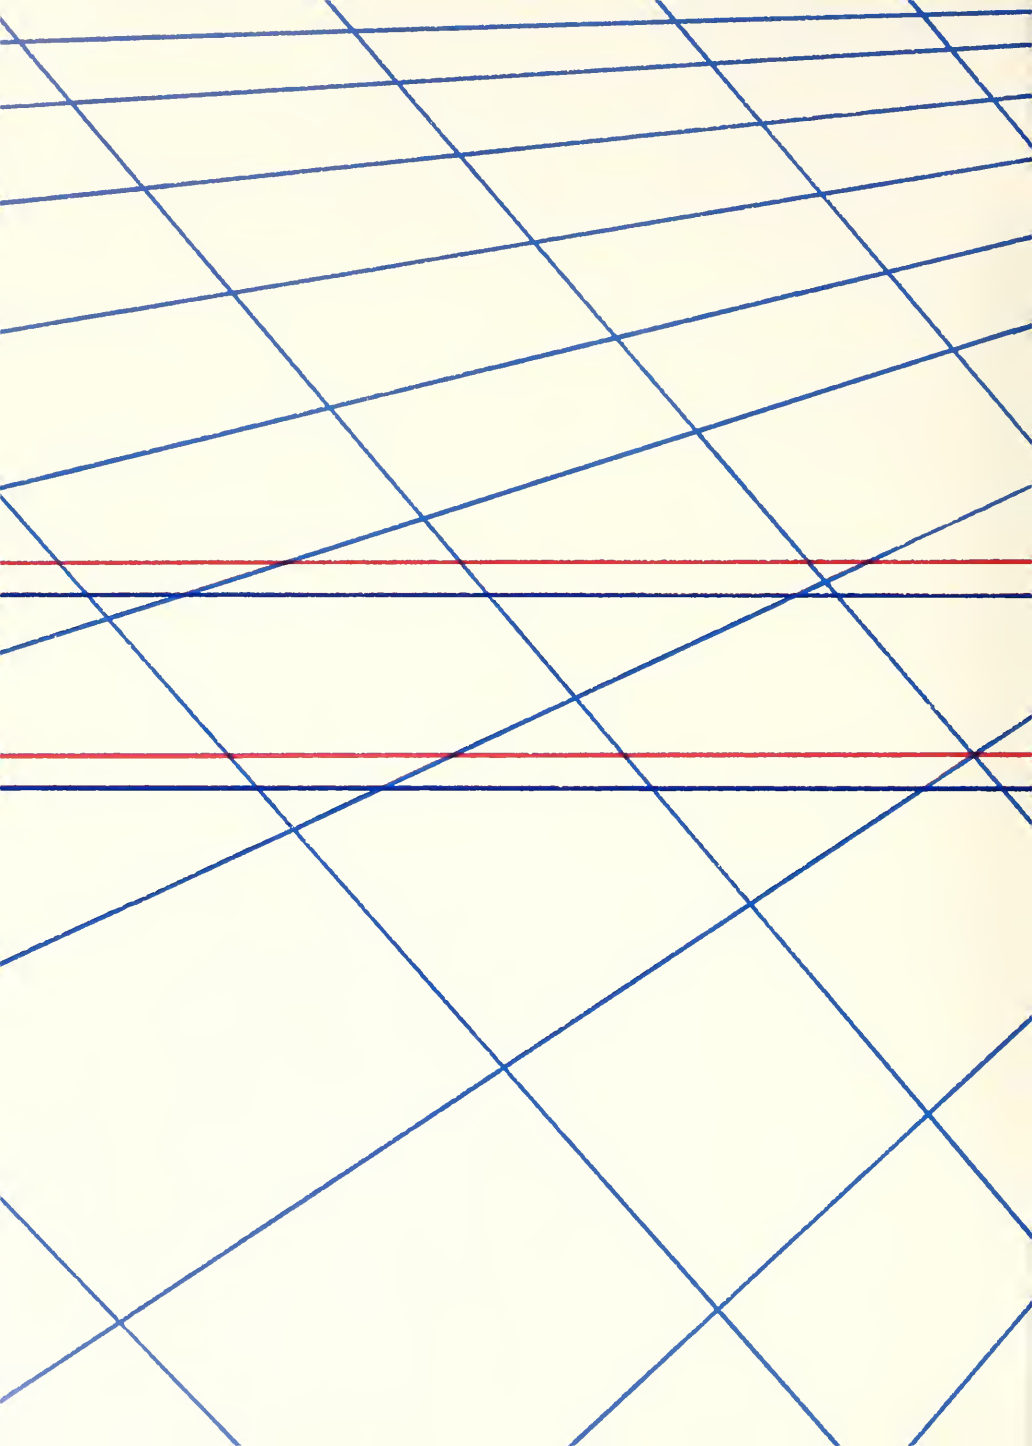
Study² + Learning = Knowledge

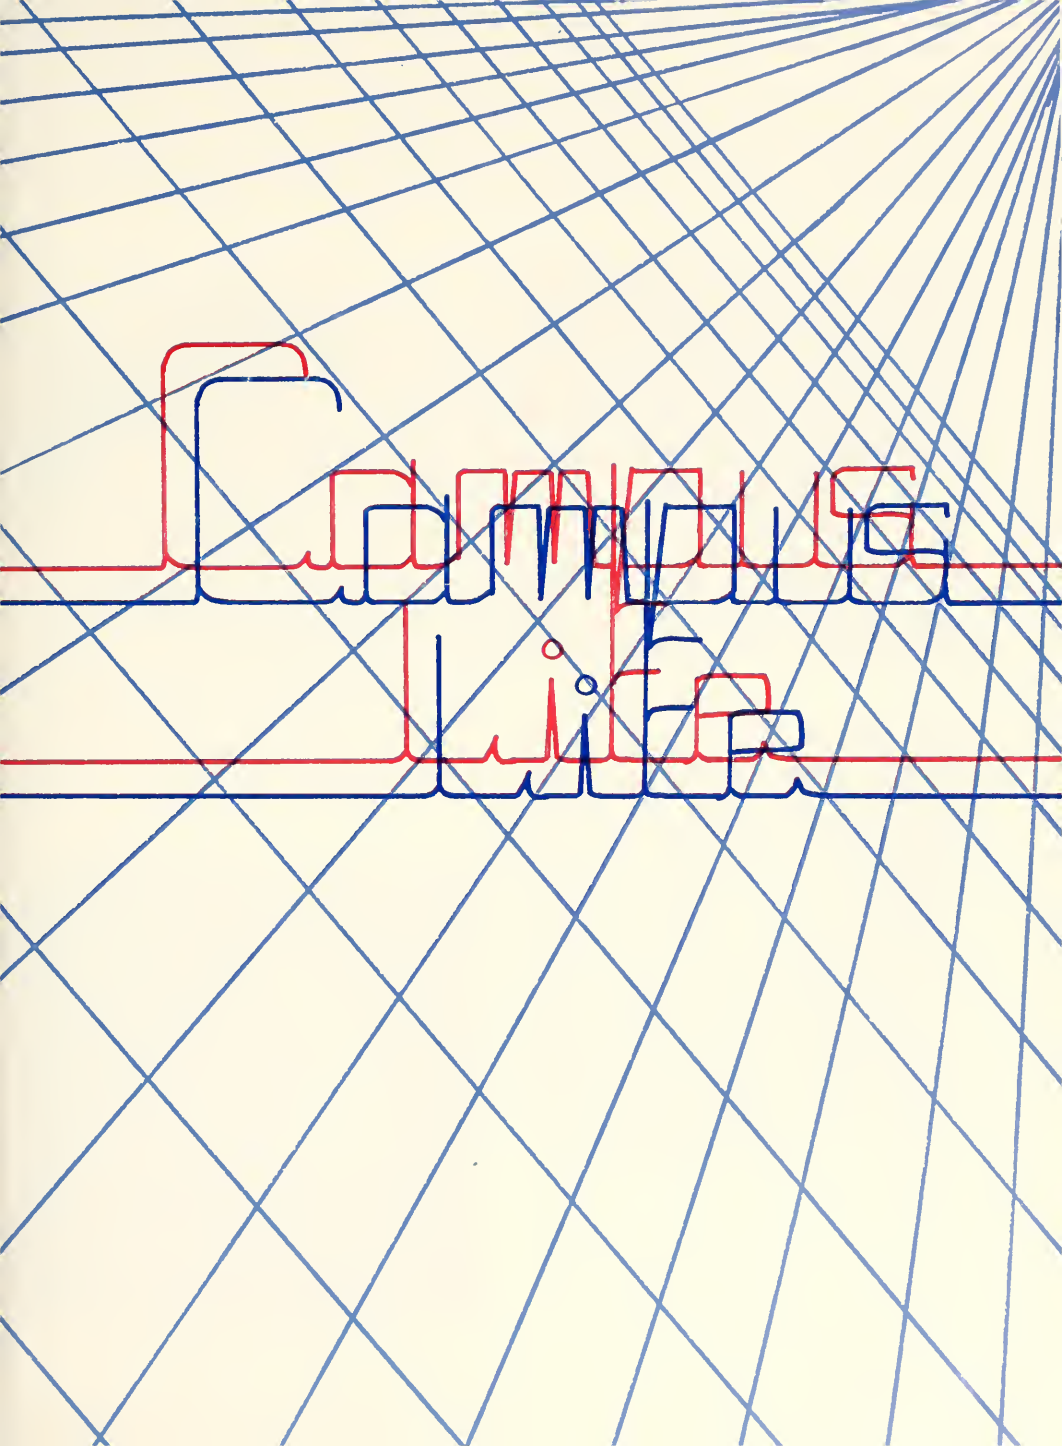
$Pr_2 = Pf$

Practice² = Perfection



Giving expression to the unlimited imaginations of countless individuals through the pageantry of time derives the formula for chemistry of success. From the eloquent to the latest fad, the unobtainable to the plausible, Chowan College captures the vibrance, personal warmth and magnificance of the human spirit in its creative significance. Experience the impact and versatility of Chowan College and begin construction on an individual Chemistry of Success. Share in the creativity and consider the possibilities that employ us to reach set goals and to continually refine and redefine the bounds of excellence. Practice to perfection and receive the knowledge offered in the various curricula. Broaden the mind and enhance the capability to endure what hinderances occur in the future. Build on a destination, produce your **Chemistry of Success.**





Campus
Life

Everything packed in the suitcase to bring a little bit of home.

Cars are piled high with everything from clothes to stereos to help make the dorm life bearable

Goodbye Mom
Hello
Chowan College

Rhonda Yates hangs up her clothes in her new "Home Sweet Home."

Lori Long greets her family on parents day.

Belk Hall residents gladly welcome their parents.

Thomas Cafeteria welcomes parents with an array of gourmet food.

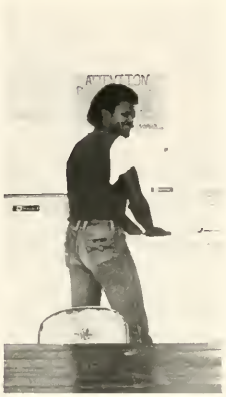
Jennifer Watson proceeds through the buffet line.

Lakeside Student Center

Lakeside Student Center is a place of constant activity where you can always find something to do. The Student Center offers skating, pool, ping-pong, video games and a television. This building also houses the campus post office which is visited faithfully in expectation of letters from home. Whenever you need a place to relax and have fun, make a trip to the Student Center.

VIDEO Villian!

The competition is hot!



All work and no play

Betty Anne checks her mail during her free time

Students enjoy relaxing while watching T.V.

Is Chris nervous?

Lane Windham: Homecoming Queen

Braves in the Street

No Hitchhiking.

Pizzazz struts their stuff!

Parker hits the road.

Homecoming was held October 19. One of the festivities was the annual homecoming parade. The parade started at Horner Graphic Communications Center and made its way through downtown Murfreesboro. Each residence hall was asked to participate in this event by entering a float. The parade also featured clowns, school officials, and marching bands.

Members of the 1985 Homecoming Court pose for the photographer prior to the beginning of the traditional Homecoming Parade through downtown Murfreesboro and the campus.

The 1985 Homecoming Queen, Lane Windham, receives a kiss from the President of the College, Dr. Bruce E. Whitaker.

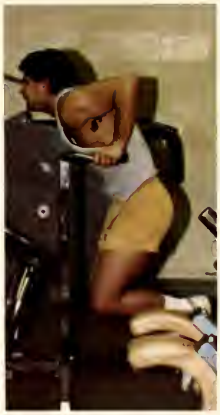
Bernadette Ashe, Homecoming Princess, awaits her crown as Stephen Jackson adjusts her Princess banner.

No Pain, No Gain

The Jesse Helms Physical Education Center is a well-equipped gymnasium, named in honor of North Carolina's Senator Jesse Helms. Helms Center provides three regulation size basketball courts, swimming pool, sauna, steam room, and all other facilities offered by a modern gymnasium. Students can play racquetball, volleyball, swim in an olympic-size pool, or attend aerobic classes. Moreover, the center is equipped with a weight room with all equipment for "pumping iron" and building strength and muscles. The Helms Center is open in the evenings and on weekends to serve the student body.

Students enjoy challenging each other on the racquetball courts.

Strength and endurance are pursued in the weight room.



The basketball court doubles as a volleyball court and used often by both teams.

The olympic size pool offers refreshing fun to those who like to swim.

It's the Weekend!

During the week, each student looks forward to the weekend. For some students, weekends are the time to go home, catch up on their sleep or their homework. After all of this has been done, students go into town to see the "big" city of Murfreesboro. In Murfreesboro, students go shopping or just catch the sights. Some students lounge around the campus and enjoy Squirrel Park. On Sundays, most students go to breakfast and then worship in the church of their choice.

Students enjoy football games.

Mark and Brad posing for that serious picture.

It's Sunday

Brian cooking pig?

Michael rushing to get that 99¢ burger

Laying out in Squirrel Park

Girls Play in the Big League

This year, a new fall sports event was added to the Chowan College athletic program, and it is expected to become a tradition in the years ahead. The first Annual Women's Powder Puff Football Game gave the freshman and sophomore women a chance to show off their athletic abilities and compete in inter-class competition.

Both teams were coached by college students and each squad had a full roster of female gridders representing their respective classes. The powder puff classic, staged in early December, was played in the college stadium before a very large number of spectators. The sophomore squad jumped to an early lead in the contest and held off the young and aggressive freshmen to claim a hard-fought victory.

In addition to the game itself, additional entertainment was provided on the sidelines by "The Loving Spoonful", a squad of male cheerleaders, complete with mini-skirts and pom-poms. There were many times throughout the contest when spectators enjoyed the performances of the cheering squad as much as they did the action on the gridiron!

The First Annual Women's Powder Puff Football Game was cited as a big success, and an event which will surely be added to the long list of Chowan traditions.

"I love it when girls play rough."

Chowan's impression of the Dallas Cowboy Cheerleaders.

"I am coming through!"

"I'll teach you to go after her!"

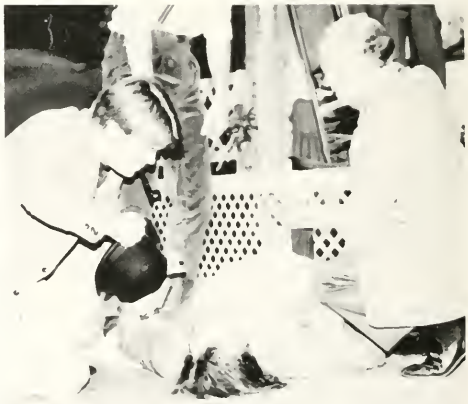
"Kill him after the game."

LOOK HOMEWARD ANGEL

W.O. Grant (Michael Hewitt) gives some intoxicated wisdom while the others listen on.

Ben Gant (Scott Tanner) and Mrs. "Fatty" Pert (Lynn Whitehurst).

Although the Fall Production was almost cancelled because of a fire in the McDowell Columns building, the Chowan Players showed their stuff when they put on the comedy drama "Look Homeward Angel" based on a novel written by Thomas Wolfe.



Hugh Barton (Greg Granger) and Dr. Maquire (Hargus Taylor) attempt to raise W. O. who has passed out.

Brother Ben shares advice with his younger brother Eugene (Scott Canfield).

Dixieland boarders, Jake Clatt (Ricky Killian), His mother (Betty Bachelor) and the sumptuous Miss Brown (Caroline Stephenson).

Steering W.O. home.

Eliza Gant (Joyce Elliot), the dictatorial mother.

W.O.'s condition causes concern for daughter Helen (Kaytee Bell) and her husband Hugh Barton.

Many students turn out to the Student Center to donate blood.

Helping a friend in need.

Boy, I love paperwork!

Final checkup before giving blood.

Making sure the patient doesn't spring a leak

Give a Pint of Life

Looks like Mark Assenato is having a good time donating blood

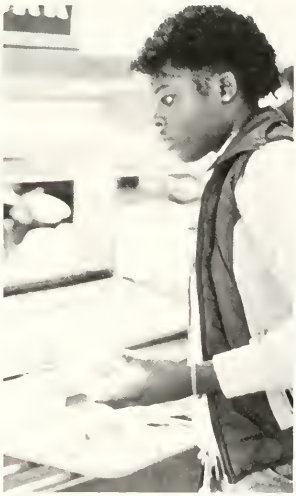
In October 1985, hundreds of people showed their love and concern for others by donating blood. They gave the gift of life itself. Fright, anxiety, shy smiles, and a sense of relief showed on the faces of those people who fought their fears and gave blood for the first time. Several steps are required in giving the "gift of life." Beginning with the completion of necessary forms, temperatures are checked before the nurse comes to begin the "needle work." Other brave souls were donating blood for the second or third time. Everyone involved seemed to agree that giving blood was a rewarding experience.

Where Everyone Goes - Thomas Cafeteria

Thomas Cafeteria is located between McDowell Columns building and Whitaker Library. The cafeteria serves three meals a day: Breakfast from 7-8:15, Lunch from 11:30-1:00, and Dinner from 4:30-6:15. It also has salad, cereal and soup bars which are set up daily. To enter the cafeteria you must present a student I. D. card. You do not pay for each meal individually, they are included in the room and board fee.

The cafeteria provides the students with steak twice a year. This is a speciality which is not offered in many other schools. The cafeteria is managed by Ron Thompson and employs many of the student workers on campus.

Some people eat—some people would rather work.



What is that?!

At least the fruit is good.

Mrs. Aldeen Gatewood manages the Chowan Bookstore through the rush of book buy-backs to the quiet afternoons during exams.

April Armacost browses through cards to find just the right words for that special guy.

Convenient For All Your Shopping Needs

Where could one buy a chemistry book, line guage, painting materials, cards, drinking glasses, cuddly animals or a new shirt? The Chowan College Bookstnre. Mrs. Gatewood graciously waits on student customers throughout the day. In addition to supplying a service to students, Mrs. Gatewood keeps a varied supply of merchandise stocked in the bookstore for convenience. Merchandise ranging from toothpaste and shampoo to sweat shirts and jerseys to bonks and class supplies can be found covering the shelves. Many Friday afternoons the bookstore is packed with students cashing personal checks for money to get home. For holidays or just to brighten someone's day, numerous greeting cards are availahle to express one's feelings. To accompany words of celebration or sympathy, the bookstore carries a wide variety of gifts. If frogs or penguins are "your thing," these stuffed animals in cuddly plush materials can be found among the teddy bears and puppy dogs. Shirts, shorts and sweat pants are also available.

Let us not forget the text books that broaden our minds with knowledge. The bookstore also carries supplies for students in every curriculum.

So, if you should find yourself forgetting someone's birthday or wanting to say "I Love You" to that special someone, the Chowan College Bookstore is convenient for all your shopping needs.

"All my women wear fashions from the bookstore."

The Ladies of BELK HALL

Belk Hall for women was dedicated in the honor of Mrs. Irwin Belk of Charlotte, North Carolina on October 17, 1964. The three story brick building houses one hundred fifty girls this year. The structure has a lounge on each of the three floors which provides convenient built-in furniture. It is completely modern in design. Each room is air conditioned, heated and has ample desk space for studying. Under the direstion of Head Resident, Neal Stanfield, Belk Hall holds a respectable reputation as a residence hall. There are two resident assistants on each floor whom the students can confide in and look to for assistance.

During the Christman season, Belk Hall çelebrates with a week of secret Santa Claus presents ending with a Christmas party for all the residents.

Belk Hall provides a comfortable atmosphere to call home throughout the fall and spring semester.

"Nobody ever answers from the second floor!"

"I hate for him to have to wait downstairs"

"Anymore people who hate to walk-Get On!"

"Yes we are going home!"

JENKINS HALL

Ladies

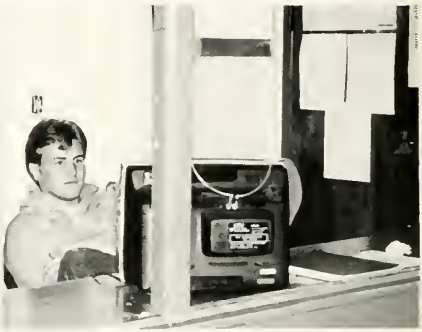
Jenkins Hall for women was founded on October 25, 1958. Dedicated in memory of Charles H. Jenkins and in honor of his mother Mrs. Olivia Benthall Jenkins, Jenkins Hall is a modern two story building which provides desirable and attractive accommodations for women at Chowan College. Sixty women reside in Jenkins Hall with Pam Riddle as head resident. Remodeling of Jenkins Hall will begin in 1986.

Several times throughout the fall and spring semesters, Jenkins Hall sponsors popular movies for weekend activities. During Valentine's the girls in Jenkins Hall create a Valentine sweetheart spirit by decorating their doors in various hearts, balloons and cupids. Numerous activities go on during the school year at Jenkins Hall.

PARKER HALL

Parker Hall, otherwise known as the Parker Hilton of Murfreesboro, is occupied by two hundred and three residents. The construction started on this nine story men's dormitory on June 2, 1969 and was completed in 1970. The building is located on Union Street overlooking Chowan's Lake Vann. Modern in every aspect, Parker Hall is fully air conditioned and carries it's residents to their floors in elevators. Parker Hall is named in honor of the late Elwood W. Parker of Murfreesboro.

Parker Hall was the proud winner of the Homecoming Parade float contest.



"Anybody going up?"

"We always ride in style."

"I know she'll call."

MIXON HALL

On May 4, 1954, construction began on a men's residence hall, which was later named in honor of the late Dr. F.O. Mixon who succeeded President Bunn on July 23, 1951.

The two story residence hall, which was completely renovated in 1981, accommodates one hundred male students. The structure has an attractive and comfortable lounge area, an apartment for the residence hall director, and each student room has independent heating and air conditioning units.

SIMONS HALL

Simons Hall, constructed in 1960, is named in memory of Betty Valentine Simons and in honor of Melton E. Valentine. The three-story brick structure, previously called East Hall, provides living accommodations for 118 male students.

The structure provides a spacious lounge on the first floor equipped with comfortable furniture and cable television service for the entertainment of the residents.

Simons Hall was completely renovated several years ago and each room is equipped with individual heating and air conditioning systems. Bryan Schmitt serves as Head Resident,and Simons Hall is one of the most popular residence halls on campus.

It's all under the bed.

Stop or I'll jump!

WEST HALL

West Hall began the 1985 Fall semester with a measure of enthusiam that was matched by few other residence halls. Homecoming spirit was demonstrated by the Lawn Mower Precision Drill Team which participated in the annual parade. Decorations in the form of authentic spray-painted graffiti posters were designed by freshman resident Jerry Sharpe.

Campus programming gave the residents of West Hall and the entire student body an opportunity to listen to several highly informative lectures on topics that were relevant to all college students.

The highlight of the Fall semester was the deer roast which served as part of West's weekend activities. The deer was provided by West's own hunters, freshmen Dave Wilson and Mike Flaskey. More than one hundred students attended the event which was provided free of charge and open to the entire college community.

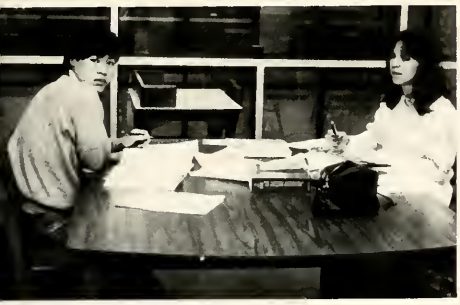
Spring semester saw West Hall continuing to sponsor activities that were geared towards student interest. Weekend activities included a non-stop movie festival, a dance, and a jam session that featured some of the student body's finest and most creative musicians.

Hello Mom, I need $

Some students go to the library for peace and quiet, others take their own noise.

Outside, Whitaker Library is brightly lit at night, where students take a break from studying.

A most interesting and comfortable place to absorb reading materials — between the shelves.



Whitaker Library

Whitaker Library plays an important part in student life at Chowan. It provides a quiet atmosphere where students can study at tables or individual carrels located on both floors and houses over 82,000 books on the main floor where microfilm and microfiche readers are provided for viewing microform copies of magazines and newspapers. When help is needed, librarians who are on duty 72 hours a week (including Sunday through Monday nights) are close by to answer questions and assist students in finding information.

There are two special collections housed in the McDowell Room of Archives and Antiquities on the second floor: The Rare Books and Archival Collection and the Creech Collection of Baptist Materials. The Collections can be visited by requesting permission from a librarian.

National Library Week is a highlight each year because the library staff celebrates it by having student drawings for prizes. A student can register each time he uses the library.

Some people study in the library and sleep in the dorm and some don't!

What are they doing up there?

Staying Awake for Assemblies

An hour is set aside each Monday and Wednesday morning for Chapel/Assembly, which is conducted in Turner Auditorium of McDowell Columns building. At the beginning of this hour, students are observed making their way to the assemblies, with freshmen attending on Mondays and sophomores and commuting students on Wednesdays.

A variety of programs are offered, to include religious services, speakers on a variety of topics, films, etc., and the hour is used to make numerous announcements which are beneficial to the entire student body. The vast majority of students listen attentively and use the hour for enrichment, but others sometimes may be observed catching up on class homework, or getting a quick rest between classes.

At the beginning of each semester, special Convocation services are held in Helms Center with the entire college community in attendance. These sessions usually feature noted speakers, outstanding alumni, or college officials.

Student favorites of the assembly programs are excerpts from the fall and spring drama productions, the special holiday presentations, and the programs featuring talents of fellow students.

President Whitaker addresses the student body.

Chowan students prepare for their weekly assembly.

Dean Lewis thanks the guest speaker after the ceremonies.

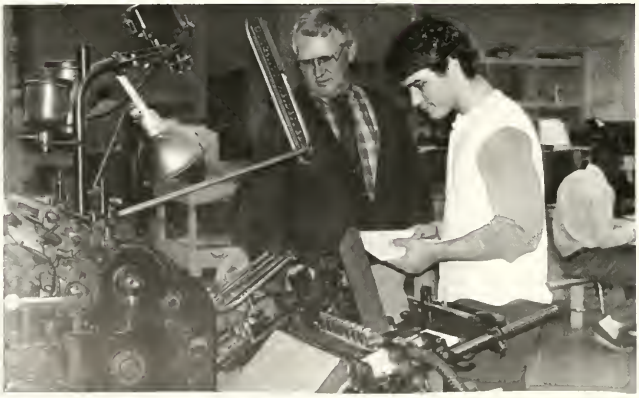
Rev. Dudley Neal, guest speaker for Fall Convocation, addresses the student body.

Gregg Armbruster enjoys assembly.

Rene Nixon ferments alcohol in Organic Chemistry.

Graphic Arts students lock-up type in lab.

The Physics lab is no place to play.



Mr. Sowell demonstrates the operation of the Heidelberg press.

The reproductive system of a plant keeps Biology labs interesting.

ACADEMIC LABS

Where could a person be able to ferment alcohol, create a poster, observe the reproductive system of a monocot or reproduce a moment in time?

Any student at Chowan College could do one or all of these things, plus many others as part of his college education. When a student registers for Organic Chemistry, Presswork, Biology, Photography, or any of the other courses which require a laboratory section, a whole new world of learning is opened with "hands-on" experiences.

Academic laboratories require much time and effort, but each is an interesting and informative experience. The work in the lab enhances the instruction of lectures and helps the student gain further knowledge in the subject being studied.

Classes and laboratories at Chowan challenge the students, and motivates them to think independently and creatively, as well as developing methods of thought, research and judgement. Instruction in the arts and sciences broaden the understanding of creativity, physical compositions of the individual and the environment in which he lives.

The instruction received by Chowan students provides a strong foundation on which they may continue to build throughout their college careers and their lifetimes.

Todd Coltrain masters Organic Chemistry with ease.

Diana Baker types copy in Typography lab.

Joe Bostick rolls through the revolving door in Prep, Offset lab.

Which door will win the prize, dinner for two at the Ramada Inn?

P.S., I love you!

Dear Sweetheart,

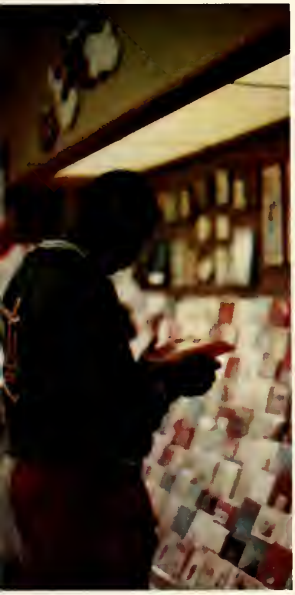
On this Valentine's Day, many thoughts of love, friendship and personal warmth come to mind along with many thoughts of you. When I think of the times I needed consolation and security, you were there, but the times ahead when I will again need re-assuring, the gift of a teddy bear doesn't seem enough. For the times I find myself lost in your eyes, staring at the face of the one I love, a gift of a rose does not match the beauty of our love. The childish playfulness that brightened my day, softened my anger or undoubtedly placed a smile on my face, could never be repaid by a mere box of candy. I could never find jewels that could sparkle like you do nor could a card say the words I feel for you in my heart.

So, my love, on this Valentine's Day, I only have to give you the gift of my love with much gratitude that I may call you mine.

Always and forever,
Toots

P.S. I love you.

Valentine's Day is always a special day set aside for people in love.

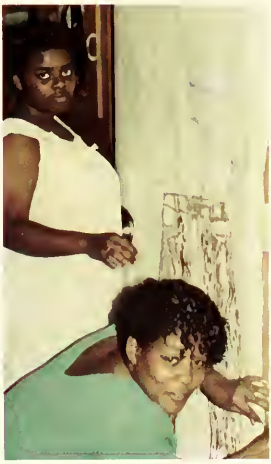


Joe Bostic, looking for those special words for that special lady.

Wendy Phelps, Donna Armstrong and Kellie Gardner shop to find their true love's a Valentine gift.

Young or old, everyone has a sweetheart.

Jenkins Hall celebrates their Valentine Spirit by decorating their doors.



Valda Belyeu smiles for the camera on a hot and sunny day in Squirrel Park

Playing football in Squirrel Park in one of the many activities that people participate in.

Art students sometimes get the pleasure of doing their artwork outside.

Couples go to the park to work out their differences

Billy and Jennifer make the most of their time in the park

Diane Johnson is tuning in to a different station for the park to hear.

Now who took the chair out of West?

Meet Me In The Park

As the season's change, so does the appearance and attractions in Squirrel Park. At the opening of the fall semester, Squirrel Park fills with old friends renewing their friendships after the summer vacation and also beginning new relationships with newcomers. The park is a setting for watermelon parties with bands playing music, attracting people to the area and helping break the ice.

Since 1848, when Chowan College first opened, Squirrel Park has been the focal point of the campus. During the fall, many friends or couples can be seen sitting among the trees and fallen leaves. After classes, the park usually fills with students anxious to get out of the classroom. Various activities occur in Squirrel Park and all of them interrupted, at one time or another, by a flying football or a charging player involved in a football game.

As the days get shorter and the nights get colder, Squirrel Park begins to empty. The first sign of snow brings the return of playfullness to Squirrel Park. Snowball fights, snowmen and several students covered in the frozen rain brings life back to the center of the campus. But in cold weather, a warm dormitory room seems much more appealing.

When the temperature rises, so do the childish temptations to play in the sunshine. Squirrel Park is no longer vacant but filled with sunbathing beauties, games of baseball or soccer, or just someone tired from class who takes a nap on the warm green grass. Squirrel Park is surrounded by five of the six dorms at Chowan and during the spring there is always something going on there. Whether it be a practice green for golfers or the setting of an art major's sketch, Squirrel Park is the center of our attention at Chowan when the weather is nice and warm.

Evening of Paradise

Spring Festival is one of the biggest activities held at Chowan College. One of the most exciting activities is choosing a Spring Festival King, Queen, Prince and Princess. Each year, the dormitories and the day student organization select one person to represent them in the Spring Festival Court. To qualify as a candidate, a student must be in good standing with Chowan College. Other Spring Festival activities included a Pizza Party, Bloodmobile, Fashion Show, Afternoon in the Park, Dinner on the Green, Jazzercise-a-thon, Cartoon and Three Stooges Movie Festival, Carnival, Ice Cream Party, Spring Festival Coronation, Luau and Spring Festival Dance.

Ready for the march.

Numerous ducks and geese are at home around the lake and they have become pets to students and the staff.

Some students love to ice skate!

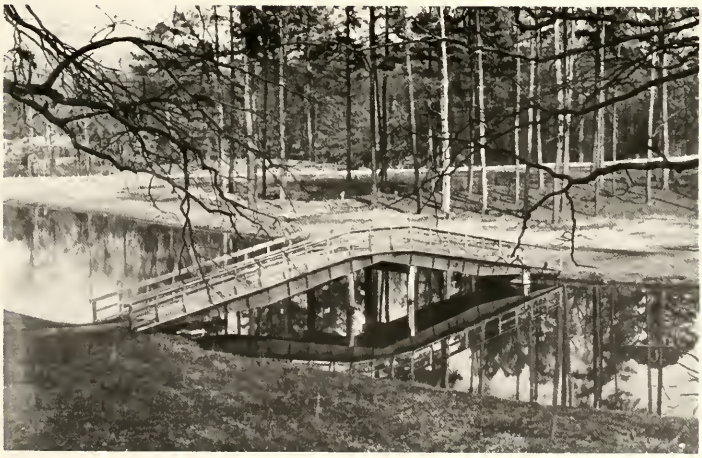
Isn't that beautiful?

Down By The Lake

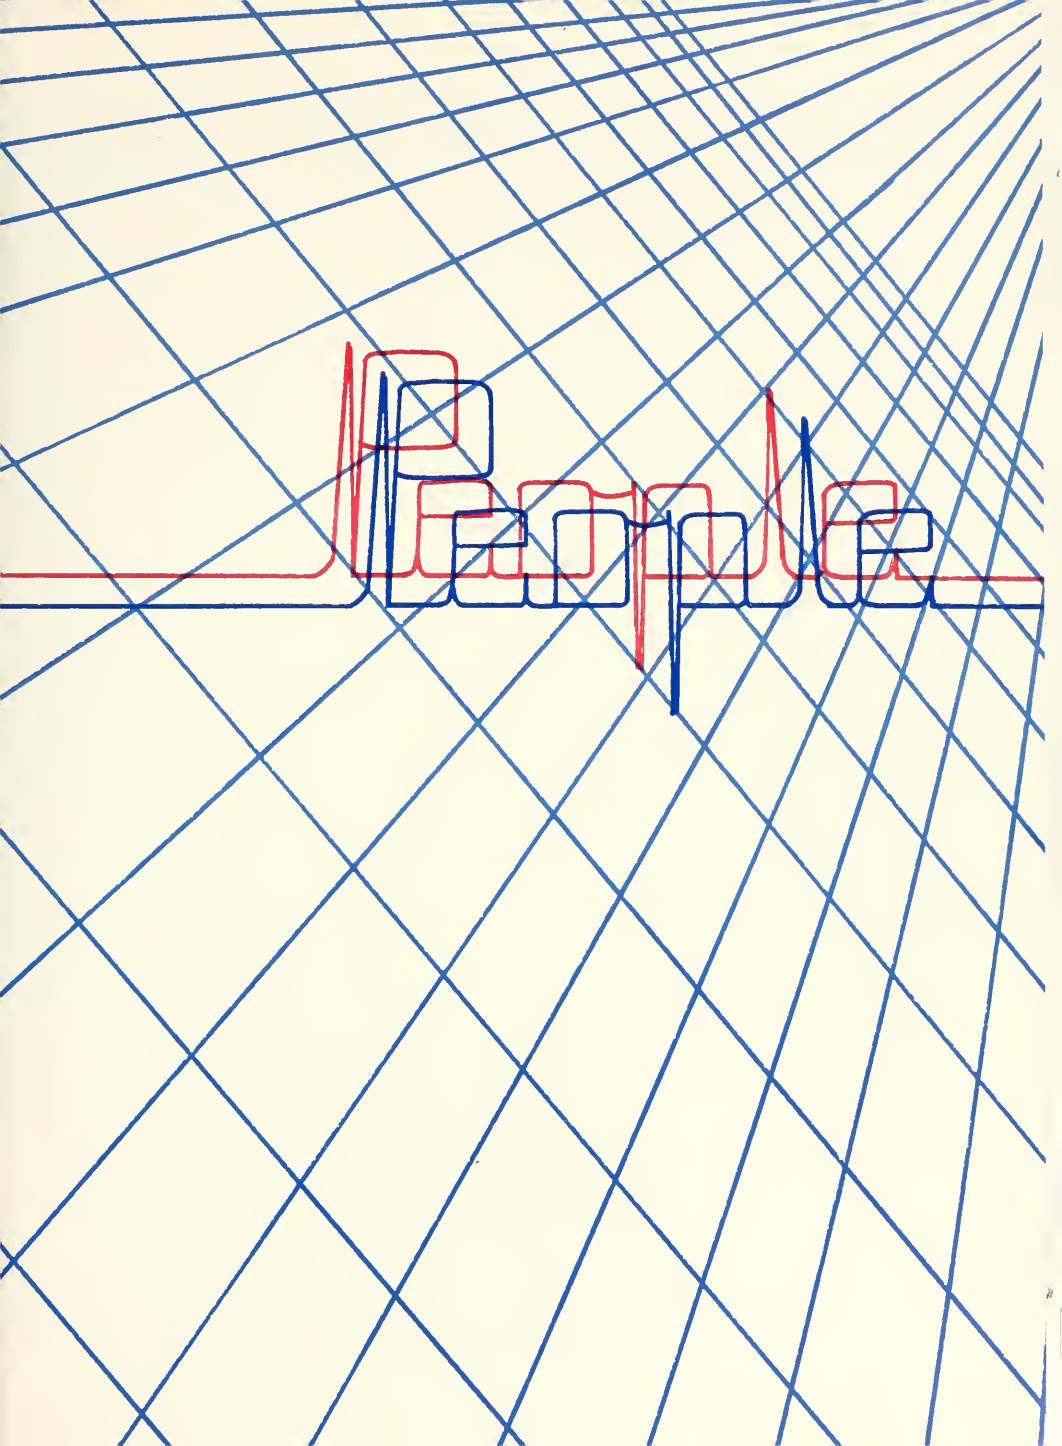
Is the fishing great?

The new home for the President overlooks Lake Vann.

Lake Vann, named in honor of George L. Vann, was dedicated in 1976 in ceremonies conducted by President Whitaker and the Board of Trustees. The lake, located to the rear of the main campus is enjoyed by students in many ways. During the warm weather, students may be seen sitting around the lake enjoying leisure times. Often, these quiet moments are interrupted by ducks or geese as they wander the area they consider "home". Lake Vann also serves as a "lab" for the physical education classes in fly fishing, and sometimes students "wet a line" to see if they can catch that big bass! Canoes are available at Lakeside Student Center for students to use on the lake. When winter settles in and the temperature drops to sub-freezing levels, the lake is covered with ice and provides a picturesque winter scene. Though discouraged by college officials, some students have been seen using the ice-covered lake as an ice skating rink and a place to test courage! In all seasons, however, Lake Vann is a popular place with students and is a favorite spot to enjoy quietness and beauty.



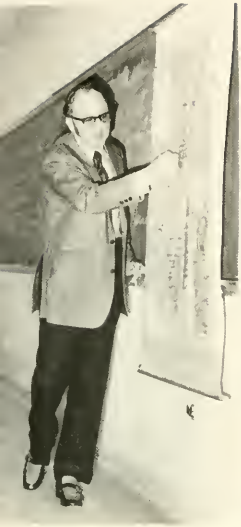
Scenic bridge is an easy access to Helms Center and classes in physical education.



People

Dedication

ROWLAND S. PRUETTE
Chairman
Department of Religion and Philosophy



In the classroom for Religion classes.

We dedicate

The 1986 CHOWANOKA to one of the most loved and respected persons at Chowan College. He is an outstanding teacher and displays an obvious and genuine concern for students, both in and out of the classroom. His friendly disposition, his caring attitude, his dedication to his profession and the college, his scholarly demeanor all combine to made him a worthy role model for the entire campus community. He is a genuine Christian gentleman. In his quiet, unassuming way he practices in his life the faith that he professes and teaches.

For all of these reasons and more, we the students of Chowan College proudly and gratefully dedicate the 1986 CHOWANOKA to Professor

Chowan's Faculty and Staff for 1985-86

A Tribute to our Professors

We pondered over the curriculum...
  Your help made us academically sound.
Yet priceless knowledge we've learned alone—
  Let us quickly expound.

A professor is many things—
  A teacher, an advisor, a friend,
With a storehouse of knowledge to willingly share,
  If we'll seriously comprehend.

As a *teacher,* you challenged us to grow,
  Then to reach and learn even more.
Your wisdom detected our weaknesses,
  And you reviewed the material as before.

As an *advisor,* we sought your guidance,
  On courses, credits, excuses, "the unexcused".
You pointed out rules, reminded us of goals,
  Your patience and time we abused.

There were times we needed a *friend.*
  (When family nor friends were near).
You never betrayed a confidence,
  We felt your concern was sincere.

We salute you, our noble professors!
  In our lives, you've played a vital part.
Thanks for advice, encouragement, faith and trust,
  You've each earned a place in our hearts.

—CHOWAN COLLEGE STUDENT BODY

Dr. Bruce E. Whitaker

Dr. Bruce E. Whitaker has served a Chowan College's President since 1957. Dr. Whitaker and his wife, Esther, who teaches Religion at Chowan, have two sons—Barry, a banker, and Garry, an attorney. They have two "beautiful little blond" granddaughters.

Dr. Whitaker is an avid athletic fan—especially at Chowan College sporting events. He reads a wide range of books and other articles. And, to keep in shape, he enjoys riding his exercycle daily. He also likes to tease and "pick on" favorite students, faculty and staff members.

Dr. B. Franklin Lowe, Jr.

Dr. B. Franklin Lowe, Jr. serves as Dean of the College. He has taught at Chowan for 22 years. In his spare time, Dr. Lowe enjoys fishing and stamp collecting. He and his wife, Peggy, have two children—Lori and Gregg.

R. Clayton Lewis

R. Clayton Lewis presently serves as the Dean of Students and heads the Student Development Department. Dean Lewis has taught at Chowan for 18 years. His hobbies include working in his yard and listening to music. Dean Lewis is married and has one son.

In Memoriam

Timothy James Guffee

Apex, North Carolina

December 12, 1966—April 5, 1986

The Lord is my shepherd, I
shall not want;
he makes me lie down in green
pastures.
He leads me beside still waters;
he restores my soul.
He leads me in paths of righteous-
ness
for his name's sake.

Even though I walk through the
valley of the shadow of death,
I fear no evil;
for thou art with me;
thy rod and thy staff,
they comfort me.

Thou preparest a table before me
in the presence of my enemies;
thou anointest my head with oil,
my cup overflows.
Surely goodness and mercy shall
follow me
all the days of my life;
and I shall dwell in the house of
the Lord
forever.

—Psalm 23

Straight from the horse's mouth...

We were reading the story in I Sam. 18 when Saul told David, "All the king wants from you as payment for the bride are the foreskins of a hundred dead Philistines, as revenge on his enemies...David and his men went and killed two hundred Philistines. He took their foreskins to the king."

At this point a shy, pretty co-ed asked, "What did they do - cut off their heads?"

Esther A. Whitaker

New faculty members (Mr. Hawkins, Mr. Garrison, Miss Crouch, Mr. Master and I) at Chowan in 1958 were guests of Dr. and Mrs. Whitaker one evening that fall. When it was time for the Whitakers' young son, Barry, to retire, he was instructed to tell us goodnight. This he did and then ran over to Miss Crouch, grabbed her by the neck, and began hugging and kissing her. Verbal instructions were not sufficient to encourage Barry to stop his hugging and kissing. Needless to say, a good laugh was enjoyed by all, as Barry was carried off to bed.

L. M. Wallace

One of the International printing majors was surprised to see me working at a local gas station one evening. "Why are you working here?" he asked. "To make money," I answered. To further explain to the student, I said, "Here in the United States, when you work at a part-time job in addition to your regular job, it is called moonlighting."

Sometime later, the student was traveling with the Dean of Students and during the trip he asked the Dean, "Did you know Mr. Sowell moonshines at night to make money?"

William B. Sowell

One of the best students in class was intently leaning over his textbook. When I called on him, we discovered that this fine student was not intently reading but soundly sleeping!

Joyce Elliot

Students enrolled in my medical terminology and transcription have a very difficult time learning the terminology and oftentimes will transcribe what they "think" they have heard rather than what a word actually is. Recently, one student transcribed "Thelogical Test for Syphilis" instead of "Serological Test for Syphilis."!

Patricia B. Edwards

On a test in O.T. a student identified "circumcision" as "the benificent Persian conqueror".

One class a student referred to the course manual, at that time called a syllabus - as "the syphilis given the class at its first meeting"

Earl H. Parker

In a touching scene in "The Glass Menagerie," a candelabra was burning while Laura and the gentleman caller danced. A large clump of wax fell, igniting newspapers underneath. Tom, Laura's brother, came into the scene with lemonade for the couple, put out the fire and carried the burning candelabra offstage. The scene went along smoothly and no one missed a line.

Sandra Boyce

It has fallen my lot to teach remedial courses, so my students do not always write perfect English. At the end of the Reading I sometimes ask the students to evaluate the course and make suggestions as to how they think it could be improved. One of my agreeable but not-so-knowledgeable students wrote this on his evaluation: "It alright. Just leave it like it are."

I could go on and on giving amusing remarks that I have found on compositions. Did you know that imagery is a metal picture? Or that Aristotle's influence on tragedy is his belief that the tragic hero is a statue? Or that Oedipus gouged his own eyes out and then wished to die in the dessert? Isn't it wonderful the things that we teachers "teach"?

Betty N. Batchelor

Several years ago, a young man came to see me and requested excused absences for a number of days. He went on at some length, talking about the death of an uncle who had served as his guardian. As chance would have it, during the course of our conversation my telephone rang. On the line was the very uncle, calling to check on the progress of his nephew. With the young man sitting in my office, I congratulated the uncle on his remarkable recovery.

B. Franklin Lowe, Jr.

As a recruiter for students there have been many anecdotes to come my way. One of the best was when a student asked if Chowan was "Church afflicted" when he meant was Chowan church affiliated.

Winslow Carter

While teaching zoology (specifically the skeletal system), I walked into class without noticing the human skeleton that I had placed in the room earlier. When I started teaching & pointing out bones, I observed that "someone" had created a bikini (bra & panties) for the skeleton out of cheesecloth. It also had a cigarette suspended from its mouth.

Linda Tripp

Betty Batchelor has taught in the English Department for the past 25 years. Her hobbies include singing in the church choir, acting in Chowan plays, watching good TV programs, reading and knitting. Mrs. Batchelor has three sons.

Sandra Boyce has been teaching English and Drama for the past 7 years. Her interests include acting, directing, and caring for her three children—Farah, Kate and Jim. Mrs. Boyce is married to Rob Boyce who is a principal at John A. Holmes H.S.

Robert Brown teaches in the Music Department.

Bob Burke teaches in the Physical Education Department.

Robert Casmus has taught Physical Education and Sports Medicine for the past year. He enjoys tennis, Bruce Springsteen concerts, Stephen King novels and Trivial Pursuit. Bob is "single and fun loving."

James Chamblee teaches in the Music Department. He is also the chairman of the Department of Fine Arts.

Hope Vinson Clark has been teaching in the Business Department for the last two years. In her spare time, she enjoys horseback riding, reading and jogging.

Janet Collins teaches in the Physical Education Department.

Dr. John Davis has taught Language and Literature for the last 5 years. He and his wife, Sarah, have two children, Sarah and Hugh. Dr. Davis enjoys older movies, British TV programs and appreciates British humor.

Lee Deavours has taught Business and the Social Sciences for 6 years. He enjoys bicycling, weight training, hunting, fishing, camping, aerobics and listening to country music.

James Dewar, Jr. has taught for 18 years in the Science Department. His hobbies are running and basketweaving (not underwater). He is married to Phyllis Dewar who also teaches at Chowan.

Phyllis Dewar has taught in the Science Department for 20 years. Her hobbies are chemical demonstrations, eating apples, playing the organ and piano, and spending time with Jim.

Andrea Eason has taught for the past 17 years in the Business Department. She and her husband, Mack, have 3 children: Lisa (teacher), Frances (6th grader) and Suzanne (9th grader). Her hobbies include computers, playing Bridge, swimming, and water skiing.

Patricia Edwards has been teaching in the Business Department for 25 years. She has three children, John (17), David (16) and Susanne (21). Her hobbies are playing bridge, all sports, most music and participating in community activities.

Dr. Joyce Elliot has taught in the Language and Literature Department for the last 2 years. Her interests are plays and the theater. She is the treasurer and organist at her church. She is married to Bedford Brown, Jr.

Doug Eubank has taught for 10 years in the Art Department. In his spare time, he enjoys drawing, painting, making pottery and collecting antiques. He and his wife, Molly, have two sons, Lance and Todd.

Dr. Garth Faile has taught for the last 15 years in the Science Department where he is also the chairman. He enjoys home repairs, tennis, and is an active member of the Murfreesboro Baptist Church.

Dr. Carl Garrott has been teaching in the Foreign Language Department for the last year. His hobby is the Shortwave (International DX) radio. He enjoys traveling and has visited the Caribbean and Europe.

Herman Gatewood has taught in the Graphic Communications Department for 23 years and is the chairman of the department. He is married to Aldeen Gatewood, manager of the college bookstore and has one daughter Tricia who is 15. His interests include golf, photography and civic work.

Douglas F. Gleason teaches in the Photography Department.

Dr. John Gosnell is presently teaching in the Social Science Department. He and his wife, Barbara, have two daughters, Linda and Pamela. His interests include golfing, fishing and boating.

Acheson Harden, Jr. teaches in the Mathematics Department.

Geraldine Harris has worked in the Whitaker Library for 20 years. She enjoys needlework and reading. She and her husband J.P. have a son and daughter.

J.P. Harris has taught in the Biology Department for 22 years. His interests include reading, gardening and working with tropical fish and domesticated fowl.

Jerry Hawkins teaches in the Physical Education Department and the Social Science Department

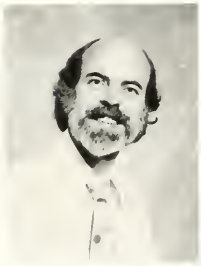
George Hazelton has taught in the Business Department for 19 years. He and his wife, Nancy, have four children. In his spare time, Mr. Hazelton enjoys sailing, reading, and programming.

Marla Hunnings has been teaching for 8 years in the Dance Department. She enjoys renovating historical houses, collecting antiques, gardening and working with children. She also has an avid interest in horses.

Hattie Jones has taught in the Business Department for the last 20 years. Her main interests include spending time with family and friends and serving God. She is married to Robert Noble Jones.

Glenn McFadden teaches in the Mathematics Department.

Belinda McKeel has been teaching Physical Education for the past 2 years. Her hobbies include cross-stitching, playing racquetball and bicycling with her son. She and her husband, Tim, have a son Kyle.



Stanley Mitchell teaches in the Art Department.

Alan Moffitt teaches in the Graphic Communications Department.

Robert "Bob" Mulder has taught for 21 years in the English Department. He is divorced and has a son, Micky, who lives with him in Murfreesboro. He has interests in writing, publishing and music.

Dr. Calvin Owens teaches in the Mathematics Department.

Betsy Paffe has been teaching for the last 2 years in the Graphic Communication Department. She is actively involved with the college newspaper "Smoke Signals."

David Parker has taught in the Art Department for 12 years. He enjoys painting, drawing, gardening and surf fishing. He and his wife have a son.

Dr. Earl Parker has taught in the Religion Department for 16 years. His hobbies include college athletics, gardening and mall-hopping. He and his wife, Liba, have two daughters, Jenny and Mary.

Charles Paul has taught for 23 years in the Social Science Department. He and his wife, Jessie, have two children, Linda and Charles. He enjoys traveling and fishing.

Dr. Allen Pridgen has been teaching in the Language and Literature Department for 6 years. He has scholarly interests in popular culture, contemporary American Literature and literary theory. He enjoys cooking and working as a sponsor/mechanic for his son's BMX racing career.

Rowland Pruette has taught in the Religion Department for the past 18 years. He and his wife, Mary, have two children. Mr. Pruette's interests include reading, traveling and working in the yard. He is the Foreign Student Advisor and serves as the Chairman of the Religion Department.

Thomas Ruffin teaches in the Business Department

Carol Sexton has worked in the Library for 21 years. Her hobbies are needlework, reading and fishing. She and her husband, Warren, have two children, Jean Elizabeth and Warren Jr.

Warren Sexton has been teaching for 26 years in the Social Science Department. His interests and activities include fishing, reading and officiating high school football and basketball games.

Wesley Shrewsbury has taught in the Math Department for 15 years. He and his wife, Martha have two children—James and Barbara. In his spare time he enjoys fishing and gardening.

Carl Simmons has been teaching for 23 years in the Math Department. His hobbies include fishing, hunting rabbits and watching sports of all kinds.

James Russell Smith, Jr. has taught in the Business Department during the past year. His interests include working with microcomputers, writing, reading, wood refinishing and collecting antiques.

William Sowell has taught in the Graphic Communications Department for the past 10 years. He and his wife, Julie, have three children—Berry, Wanda and Ricky. He enjoys playing golf, watching all sports, printing and teaching. Mr. Sowell is a member of the Masons, Shriners and the Exchange Club.

Dan Surface has been teaching in the Physical Education Department for the past 12 years. In his spare time he likes to play racquetball. He and wife Sallie, have three children—Eric, Brian and Julianne.

Gilbert Tripp, Jr., has taught for 19 years in the Science Department. He and his wife have two children. He enjoys hunting, fishing, trapping, gardening and working with the Boy Scouts.

Dorothy Wallace has been teaching in the Business Department for 21 years. Her hobbies include reading, playing the piano, attending theater productions and participating in civic activities. She is married to L.M. Wallace who also teaches at Chowan.

L. M. Wallace has taught for 28 years in the Business Department. His interests include reading, watching old movies and working with computers. Mr. Wallace also teaches a Sunday School Class.

Ann Waring has been teaching English for the past 15 years. She and her husband, John, have two sons—Joseph and Corey. In her spare time, she enjoys reading, writing and listening to music-especially symphonics and chamber music.

Esther Whitaker has taught in the Religion Department for 28 years. She is married to President Bruce E. Whitaker. They have two sons, Barry and Garry. Her hobbies include reading, sewing, knitting and gardening.

Dr. Kenneth Wolfskill has taught in the Language and Literature Department for the past 13 years. He is married and has a son and a daughter. He reads a lot alternating between good fiction and trash fiction. He also enjoys writing letters to his Dad and occasionally plays the guitar.

Katherine Wood has worked in the library for 8 years. She and her husband, Harding, have three children—Marsha, Cal and Preston. Her hobbies include reading and cross-stitching.

Edward Wooten teaches in the Mathematics Department. He is a self proclaimed "beach bum". He and his wife, Bobbie have four children, Jon (16), Ashley (15), Matthew (12), and Emily (4).

Alpha Pi Epsilon

"The ultimate purpose of Alpha Pi Epsilon is to professionalize the status of the college-trained secretary. To accomplish this, it endeavors to send young men and women of the highest ideals into the business world, equipped with keen intelligence and a mastery of their skills."

"Alpha Pi Epsilon was established at Los Angeles City College in 1933 and was incorporated under the laws of the State of California on December 9 of that same year. It bears the distinction of being the first honorary secretarial society of collegiate standing. In 1942, the National Junior College Conference recognized Alpha Pi Epsilon as the official National Secretarial Honor Society. Today, chapters of Alpha Pi Epsilon are scattered over the United States from Maine to California, from the Canadian border to our southern shore line."

"To be eligible for membership in Alpha Pi Epsilon, a student must have shown himself outstanding in all his college work; he must also possess the qualities of accuracy, dependability, and initiative. In selecting candidates for membership, the society seeks young people of character, intelligence, leadership, scholarship, and superior competence on secretarial subjects."

"The name, Alpha Pi Epsilon, is derived from the Greek letters denoting Accuracy, Dependability, and Efficiency. The badge of Alpha Pi Epsilon is a Latin- scrolled gold key. The key signifies intellectual endeavor; the scroll, achievement; and the winged stylus, speed and efficiency."

Alpha Pi Epsilon Chapter at Chowan College was established in 1957-1958 with five members.

Qualifications

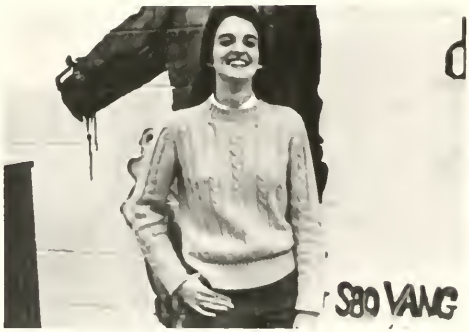
(1) A 3.0 (B) quality point rating.
(2) Be interested in rendering a service to Chowan College.
(3) Possess the qualities of accuracy, dependability, and initiative.
(4) Be of good character, have intelligence, leadership, scholarship, and superior competence in secretarial subjects.

Half-Time Entertainment

The Bravettes have been associated with Chowan for many years. The group is selected from many that try-out each semester. This year the assemblage added some new features. The use of males and baton twirlers added a special something to the set. The Bravettes perform at half time of Chowan football and basketball games. The company enjoys performing at functions in Hertford County, bringing publicity to the group. The association practices for hours in order to acquire the perfection needed to maintain "The Braves and Bravettes."

Baptist Student Union

The Baptist Student Union-Campus Christian Fellowship exists for the students to understand and exercise their christian faith. Their activities throughout the year include weekly meetings of worship and fellowship for members and anyone who is interested. They conduct Bible studies and weekly prayer services Thursday nights in Daniel Hall where Chaplain Hargus Taylor presides. The group also has guest speakers, from area churches, who come and talk to the students. This year's President of B.S.U., Lisa Walston, was selected to do missionary work in Haiti, in the spring, but her trip was cancelled due to the political turmoil in that country. The Vice-Presidents of the B.S.U. hold special offices. They are: Roney Abraham—Publicity, Karen Harrell—Mission and Outreach, and Eugene Baker—Programming.



Campus Music

Membership in the College Choir is open to all students who are interested in choral music. Auditions are not required and the choir rehearses each Thursday afternoon under the direction of Dr. James Chamblee. On-campus appearances of the Choir include annual Christmas and Spring Concerts, and the group also performs at Homecoming and Spring Festival.

Membership in the Chowan Touring Choir is selected by audition from the College Choir. The Touring Choir makes several off-campus and television appearances during the year and takes an extended tour in the Spring. Membership in the College-Community Chorus is open to all students and persons from the surrounding communities. This organization presents two concerts, one in the fall and one in the spring, each accompanied by an orchestra.

Dr. James Chamblee, chairman of the Department of Fine Arts, directs both the College Choir and the Touring Choir, with Mrs. Barbara Gosnell as accompanist on the piano and organ.

North Carolina Wildlife

The purpose of the North Carolina Wildlife Federation is to promote conservation of animals of all kinds and to restore and preserve the soil and water. Contrary to popular belief, the Wildlife Federation is not anti-hunting.

The association was formed in 1945 but did not become a Chowan College organization until three years ago in 1983. The club is associated with the North Carolina Wildlife Federation and the National Wildlife Federation. The organization is in dire need of active interested members to return the following year.

The club holds a meeting twice a month and also involves the members in various programs. Dick Brann, from the Wildlife Federation, came to speak to the club on Hunter Ethics. One of the more interesting programs was a film presentation on the goose stocking program taking place in North Carolina. The Wildlife Federation is involved in shipping geese from Canada to our state to enhance the geese population. They also built blue bird boxes to sell for a fund-raising activity.

Another benefit the Wildlife Federation has enabled the college to have a voice in the legislature. The voice enables support when a bill comes up for voting that is detrimental to the conservation of wildlife or nature.

Sometimes the wildlife appears inside.

North Carolina Wildlife helps conserve beauty in the outdoors.

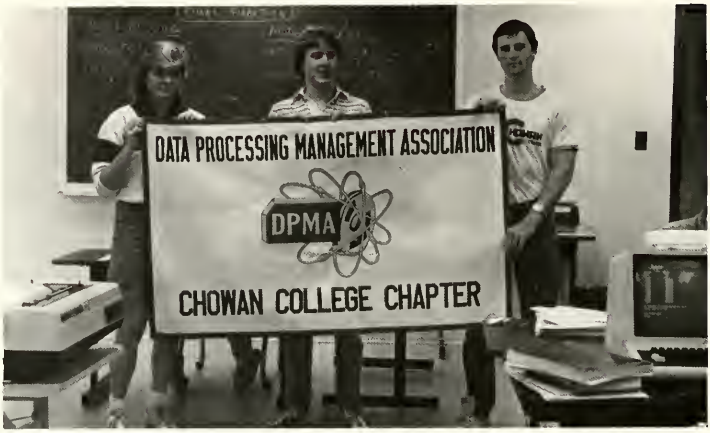
The dorms have enough "wildlife" for this bird.

We Have all the Comforts of Home

A nice thing about being a day student is you get the car.

Day students come to Chowan any way they can. Skateboards aren't bad when it's not cold.

Debbie Overton represented the Day Students in Homecoming.



DPMA teaches students to work several types of computers.

DPMA

DPMA (Data Processing Management Association) is a club for business students and computer majors. The President is Curtis Bunch; Vice President, David Smith; Secretary, Tracey Whitley; Treasurer, Hubbard Galbraith and sponsors are Mrs. Eason, Mr. Hazelton and Mrs. Jones.

DPMA is very active on campus, occasionally holding contests. On Valentine's Day they held a raffle to raise money, the winner receiving a dinner for two at Milton's. They also sponsored a presentation explaining the stock market and how it works, as well as taking a trip to a large company to observe possible career fields.

The purpose of the club is to give students a better understanding of the role that data processing plays in business, the proper relationship of data processing to management and the necessity for a professional attitude among data processors.

DPMA provides members with an understanding of the principles underlying the science of data processing.

Theresa Richey acts as The Myriad's editor.

Dr. Pridgen oversees the publication as adviser.

The Myriad

The Myriad is a literary magazine published by the students at Chowan College. Dr. Pridgen advises the staff as to what articles, pictures, poems, etc. should be published. Theresa Richey acts as the editor of the literary magazine.

The magazine consists of poetry, short stories and poems which the students at Chowan have created themselves. Many photography majors have an opportunity to display their photographs by having them published in The Myriad.

People who are "closet authors" of stories, poetry or amateur photographers can see their work published in the Chowan College literary magazine—The Myriad.

World Wide

International students make up an important part of the enrollment at Chowan College. There are presently forty-seven students from foreign countries enrolled at Chowan. These students come from all over the world with the majority being from Japan. Other countries represented by scholarly students here at the College include China, Equador, India, Iran, Jordan, Kuwait, Micronesia, Palestine, Qatar, Singapore, Thailand and Venezuela. These students are majoring in various subjects such as music, pre-engineering, pre- nursing, liberal arts, art, computers, and business.

The advisor to international students is Mr. Rowland Pruette. When asked about an average population of international students attending Chowan in the past years Mr. Pruette replied, "the number of International students has varied in the past four years from about ninety students to approximately forty, with about sixty to sixty-five being the average."

Mei Yan discusses her artistic ability in playing the violin.

I'm smiling but studying isn't really that fun.

Orientation guides make the first impression of college life to new students as they present Chowan College.

Orientation guides are picked by recommendations from faculty and staff and under the direction of Mrs. Linda E. Tripp. Three orientation sessions occur throughout the summer which these returning sophomores attend and guide new comers to Chowan College. Thoughout orientation the leaders are easily spotted by the Chowan College T-shirts that conveniently display their names. During each of the sessions the guides are expected to work with groups of new students, help give placement tests, and set up refreshments for students and their parents. Orientation leaders stayed in Belk Hall dormitory during the sessions with the parents and students.

The Student Panel for Parents was very successful and gave positive student viewpoints on various questions about life at Chowan and possible needs of the students.

Orientation brings a closer look at Chowan for the new students. Orientation leaders are generally the first friends and first impression new comers recieve.

We'll Show You Chowan College

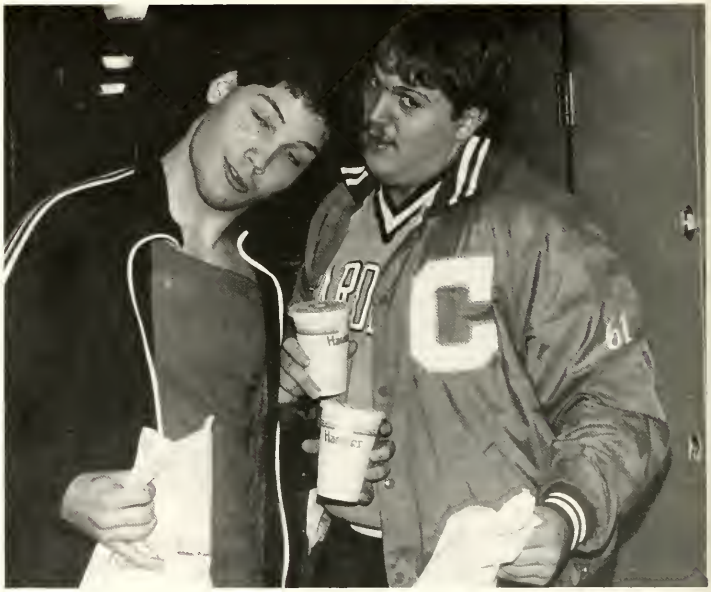
Part of the fun is meeting new students. The rest of the fun is eating.

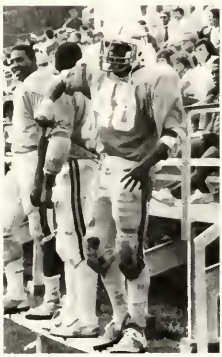
If you didn't know who we are, you do now.

Monogram Club

The Monogram Club is an organization established for the athletes at Chowan College. Any student who is a member of a varsity athletic team and who has participated in an intercollegiate activity is eligible to become a member. Athletes in the Monogram Club come from a wide variety of sports. The club's members include representatives from football, cheerleading, volleyball, wrestling, men's and women's basketball, baseball, softball, golf, and tennis.

As you notice the athletes proudly displaying a Chowan College varsity athletic letter on their jacket, know that they have earned the privilege to wear the letter and be a member of the fine organization it represents





Members of the monogram club display a Chowan College athletic varsity letter on their jackets which they may have been awarded by playing football or any other sport

Proud to be a Chowan Brave!

Outing Club

The Chowan College Outing Club combines learning and christian fellowship by taking canoe and camping trips each semester. Not only do the students learn the basics of outdoor living, they also learn about nature and about each other.

Mr. Lee Deavours, sponsor, has shown students things such as: making a fire with pine cones, cooking over an open fire, carving a walking stick, canoeing and mountain climbing.

Previous trips include camping by Kerr Lake and by the foot of a mountain in Crozet, Virginia.

All the trips were a learning experience. But to learn, you must love the great outdoors.

Phi Beta Lambda

Phi Beta Lambda is a national business fraternity, affiliated with both state and national organizations. The fraternity's primary purpose is to develop the business and civic leadership qualities that will enable young men and women to be highly successful in tommorrow's competitive world of work.

Phi Theta Kappa

The officers of Phi Theta Kappa are-President-Karen Harrell, Vice President of the Freshmen Class-Laura Hazelton, Vice President of the Sophomore Class-Carl Burgess, Secretary/Treasurer-Lala Deal.

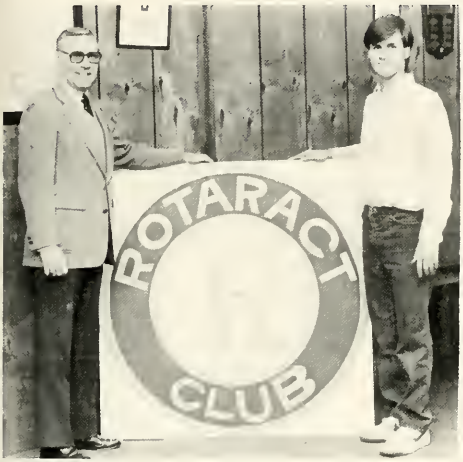
Chowan's Iota Delta Chapter of Phi Theta Kappa is an honorary junior collegiate scholastic fraternity open to students with a 3.0 grade point average who have attended Chowan College for at least one semester and have faculty recommendations. The students of the organization then screen the prospective members and vote. Mr. Ed Wooten and Dr. Ken Wolfskill, are co-sponsors.

The club Pizzazz participated in the Homecoming parade by musically marching down the streets of Murfreesboro.

Pizzazz sponsors several dances each year.

PIZZAZZ

Pizzazz is an organization that has been active on the Chowan campus for the past four years. The name Pizzazz stands for class and carrying one's self in a poised and sophisticated manner. The Pizzazz brothers try to add activities, as other organizations do, to the campus life. It is an organization open to all races, colors, and creeds and welcomes all people and new ideas. P.I.Z. stands mostly for unity and brotherly love between the members of the crew and to one's neighbors.



Club sponsor Dean Lewis and president.

Rotaract: Helping People

In 1968 Rotary International initiated Rotaract as a plan by which Rotary Clubs throughout the world could become sponsors of a service club for young adults (ages 18 to 28). Rotaract, from the beginning, has reflected the spirit of its sponsor. The purpose of Rotaract is to develop leadership and responsible citizenship through service to the community, to advance the cause of international understanding and to promote recognition and acceptance of high ethical standards as a leadership quality and vocational responsibility.

Rotaract shares goals similar to those of Rotary, which encourages all Rotarians to pursue four aims:

- to become acquainted with each other as an opportunity for service;
- to practice high ethical standards in business and professions;
- to practice these ideals in personal, business and community life; and
- to promote international understanding and goodwill.

Dean Lewis interacts with the club members at each meeting.

Rene Nixon, student admissions representative, represents her school in a different way.

Welcome to Chowan

The Student Admissions Representative is entrusted with the responsibility of guiding prospective students and their families on campus tours. Students selected as SARs provide a student's perspective and serve as liaison to the admissions office prior to, or after, the interview with the prospective student.

SAR Stephen Jackson escorts interested students around campus, but now takes a snack bar break

Science Club members are occasionally entertained by speakers.

Students interested in science related activities join the science club.

Tripp to Science

The Chowan Science Club is a campus organization which is affiliated with the North Carolina Collegiate Academy of Science. Its purpose is to stimulate interest in the sciences by introducing the lesser known fields. The club members attend informative programs and do interesting projects with Mr. Gilbert Tripp sponsor. This year, the club members took a trip to Pitt County Hospital in Greenville. There they toured the cardiac center and observed a display of instruments used during heart surgery. A representative from the Wildlife Resources Center presented the wildlife field to the Science Club and spoke on the job opportunities in wildlife and showed a slide presentation. The Science Club is open to all students interested in the science field.

Mr. Moffitt stripping a negative.

Mr. Moffitt and Mike are measuring for half-tones.

Bobbi is hard at work!!

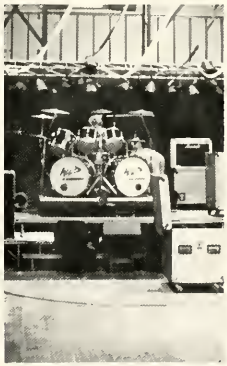
Here comes the Clown!! Willie Morgan walks in the traditional Homecoming Parade representing the Student Government Association.

S.G.A. The Active Group

The Student Government Association provides leadership for the student body at Chowan College and serves as its "voice" in many different matters. Under the guidance of President Betty Anne Drake, the many responsibilities of the SGA include allocations of funds spent for dances, movies and other campus activities.

This year, the Student Government Association sponsored Homecoming and Spring Festival ceremonies. Other events included a Powderpuff Football Game and many movies, including "Ghostbusters", "St. Elmo's Fire", "Gremlins", "Mad Max: Beyond Thunderdome", and "Sixteen Candles." Several film classics were presented to the student body including "Rebel Without a Cause", "The African Queen", "The Graduate", "Easy Rider", and "Feulsafe".

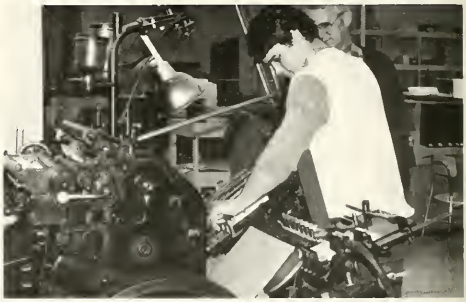
Wishing well was the focal point of the Homecoming Dance.



The musical group "Wild Kingdom" played at the dance.

LEARN A TRADE

Mr. William Sowell talks about the procedures involved in offset lithography.



You have to keep practicing on the Heidleburg to achieve perfection.

The Vocational Industrial Clubs of America (VICA) provides a vehicle for students to work articulately with trade, industrial, technical and health occupations, while at the same time fostering a deep respect for the dignity of work.

Chowan's VICA chapter is the only club on the post secondary level in the state of North Carolina and was organized at the beginning of the 1982-83 academic session. The club promotes the high standards in all phases of occupational endeavors, and is an avenue for members to plan together, organize and carry out worthy activities and projects.

VICA is sponsored by Mr William Sowell.

The 1986 edition of Who's Who Among Students In American Junior Colleges will contain the names of thirty-five students from Chowan College, who have been selected as being among the country's most outstanding campus leaders.

Students are selected by campus nominating committees. These committees base their nominations on academic achievement, service to the community, leadership in extracurricular activities and future potential. These students join an elite group of students selected from more than 1500 institutions of higher learning in all fifty states, the District of Columbia and several foreign nations.

The Creators of Success

THE CHOWANOKA staff meets each week on Tuesdays and Thursdays from 4:00 to 5:00 P.M. to produce the annual publication of Chowan College. The class, Publications Workshop, designs the cover, makes layouts for each page, and writes all the editorial copy of the book, under the guidance of Herman W. Gatewood, yearbook advisor. Work gets underway at the beginning of the Fall Semester and continues throughout the year with the staff working diligently to complete the publication.

Editors-in-Chief of the yearbook were Beth Hawk, Lorraine Harrison and Stephen Jackson. Many hours were spent drawing layouts, writing copy, creating captions and selecting photographs for the book.

The staff has gone the "extra mile" to produce a book for which the college community can be proud, and one which includes a review of the year's activities. The Publications Workshop class selected "The Chemistry of Success" as a theme for the book and used this as a motto to work even harder to bring you the 1986 CHOWANOKA.

Wayne and John make alterations to a page layout.

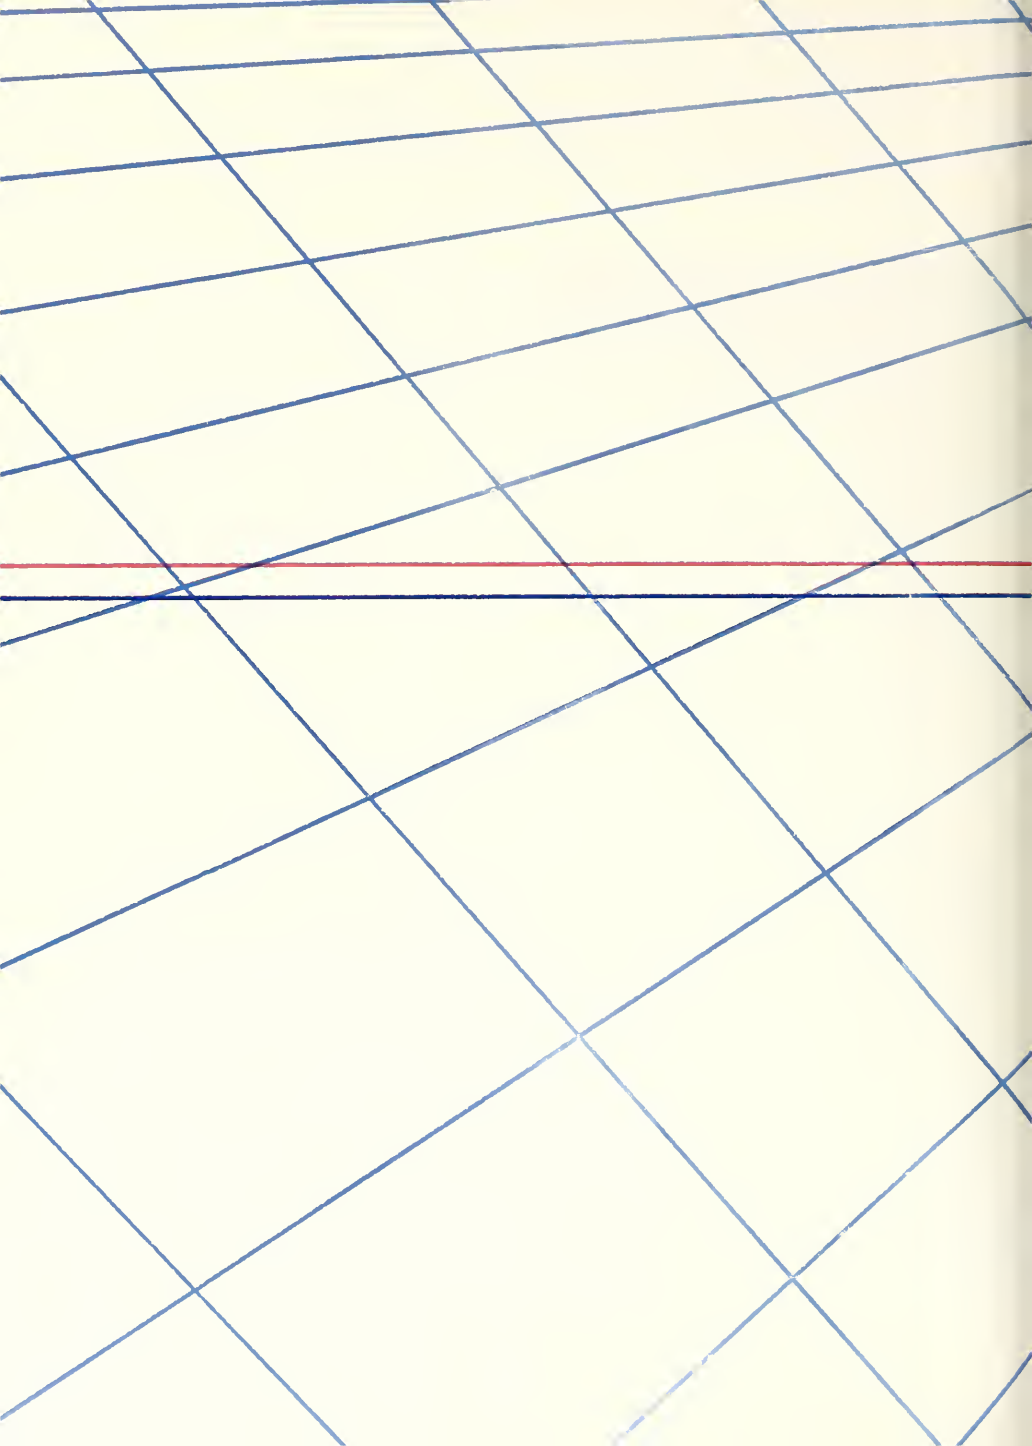
Co-editors Lorraine Harrison and Stephen Jackson give instructions to the class.

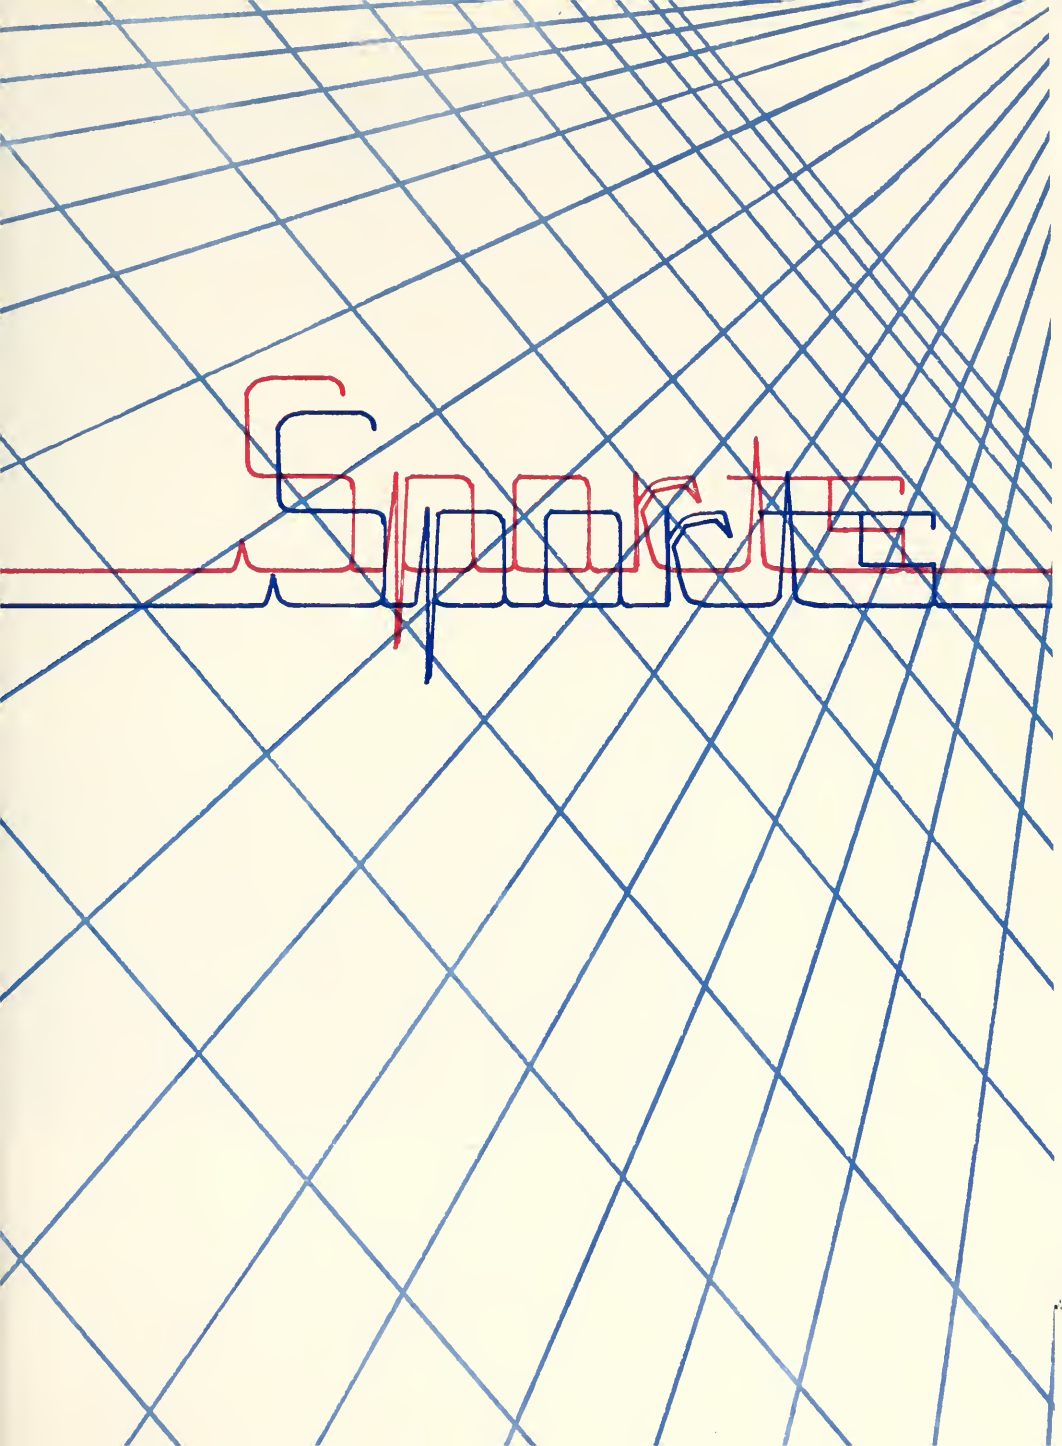
Kim Lovelace proofs the page for Smoke Signals and arranges the collage.

Rhonda, Karen and Dave draw layouts for the pages in the Campus Life section.

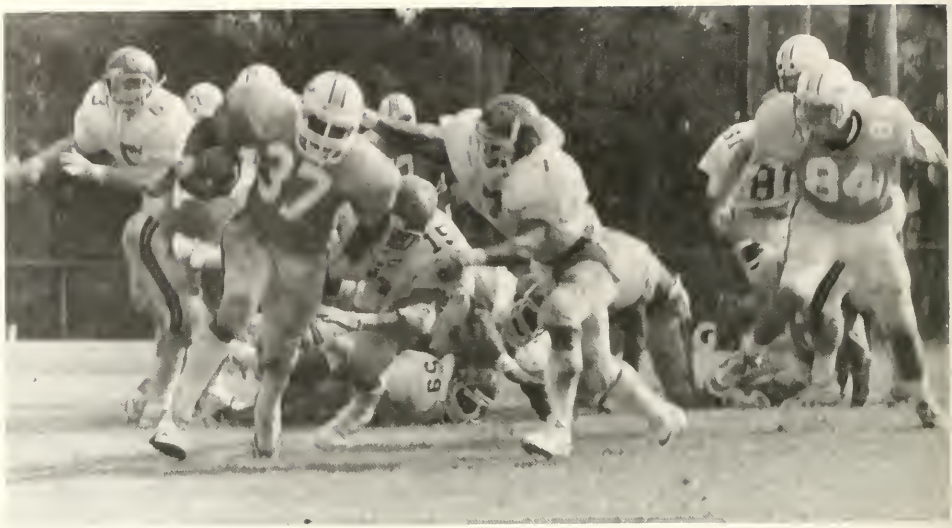
Staff members help out Miss Paffe by typesetting and putting down "rubylith" for the photographs.

Co-editors Beth Hawk, Lorraine Harrison and Stephen Jackson stayed busy all year working on THE CHOWANOKA.





Sparkles



Mighty Braves get through the tough defense.

FOOTBALL

The roller coaster...that's probably the best way for Coach Jim Garrison and his staff to assess the 1985 Chowan College football team — "Coach G's" 28th edition of the Chowan Braves had a lot of highs, a few lows and several turns and twists that produced a wild and unpredictable 5-5 record. The squad, thin on sophomore experience, was dependent upon young freshmen to play important roles somewhat prematurely. Through the first six games, the Braves rallied past Newport News Apprentice only to be held in check the following week by nationally ranked Harford.

A long trip to upstate New York saw Chowan thrash Hudson Valley but again the following week Region X rival Lees-McRae tripped the Braves. A seesaw battle against East Carolina's J.V's provided the Braves' third win but the following week, Garrison watched his team fall flat on their faces at Virginia Tech.

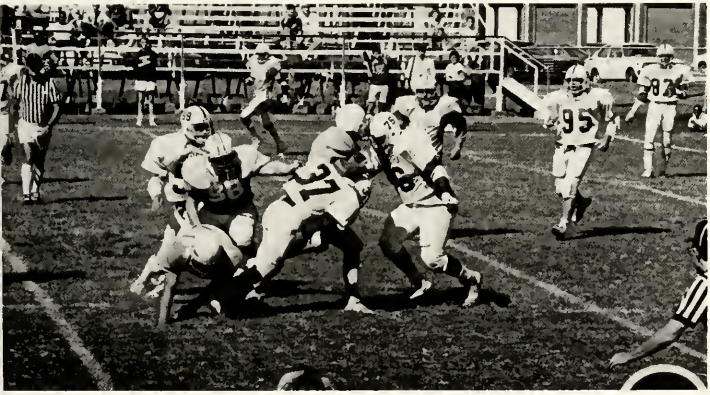
The Braves promptly put together a pair of impressive wins against Wesley and Potomac State before a rash of injuries befelled the Braves as they dropped their last two games to Nassau and Newport News.

But the roller coaster had not ended...not quite yet. The season saw Coach Jim Garrison become the sixth winningest coach in junior college football. Chowan, also, hosted the coastal Conference All-Star Game where two Braves particularly honored themselves. QB Lonnie Mister was named "Offensive Player of the Game" while DB Dexter Moore was voted the "Defensive Player of the Game".

Braves players go to any limit for the football.

One of the Braves' players watches intently from the sideline.

A dive for the tackle.



It takes full defense to bring down a Brave!

Look at those boys hustle.

I got it!

1985 Season Record

Chowan 28	Newport News Apprentice 23
Chowan 13	Harford Community College 17
Chowan 60	Hudson Valley 14
Chowan 10	Lees McRae 14

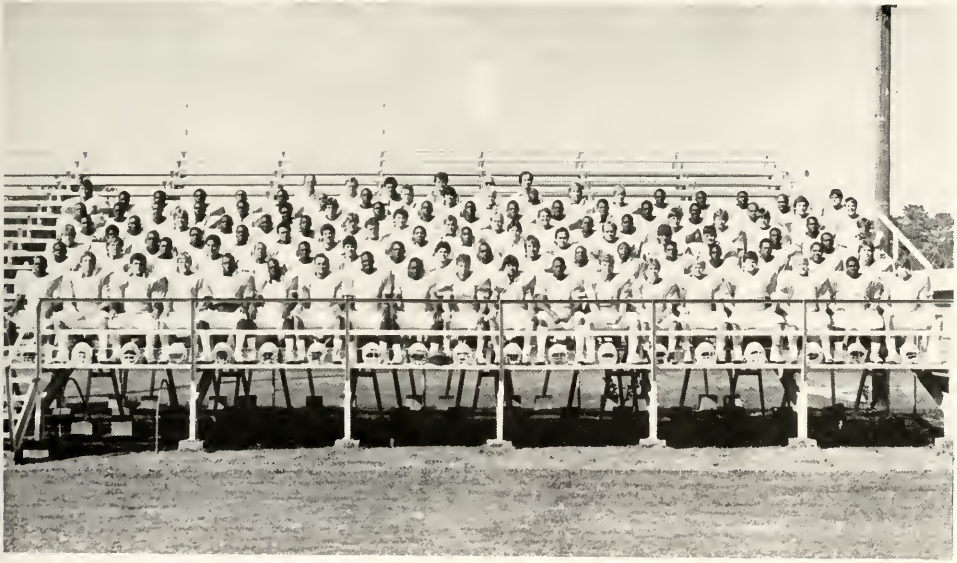
Chowan 31	Wesley 11
Chowan 40	Potomac State 21
Chowan 21	Nassau 35
Chowan 20	Newport News Apprentice 23

Defense Braves—Defense.

I hope he makes it.



Emily occasionally forgets, but a quick peek reminds her of the next move.

Kelly Gardner shares her spirit with her roommate, Marie.

Practice for perfection.

We're Behind the Braves

The fire of the Brave spirit rides in the Homecoming Parade.

Football players are so cute.

BRAVES #1

Braves Volleyball at it's Best!

The Chowan College Volleyball team had an outstanding 1985 season, under the coaching of Janet Collins. Ranked 18th in the nation, the team finished with an impressive 39-11 record. Seeded Number One in Region X, the Lady Braves won the Regionals, placing five athletes on honorary teams. As the 1985 Region X Volleyball Champions, the team went on the National Junior College Athletic Association's (NJCAA) National Tournament in Miami, Florida. Seeded 12th, the Lady Volleyballers were defeated in hard-fought contests by Central Community College and Barton County Community College, who finished third and fourth respectively in the national tournament. The squad completed 1985 play by being ranked 13th in the nation and Michelle Phillips was named All-American Honorable Mention.

Cheryl Williams smiles proudly as the ball falls through the opponent's attempt to volley a return giving the Braves another point.

Smash return from the Braves!

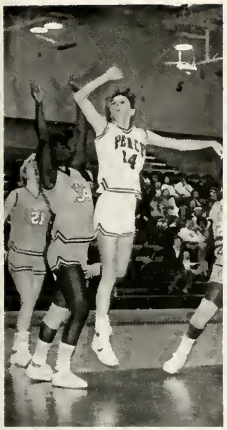
Ladies of the Nets

Lady Braves achieve great things, even against dirty defense.

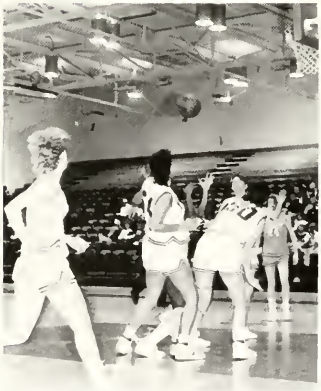
Players on the bench stay in the game with team spirit and support.



Braves defense blocks shots right and left.

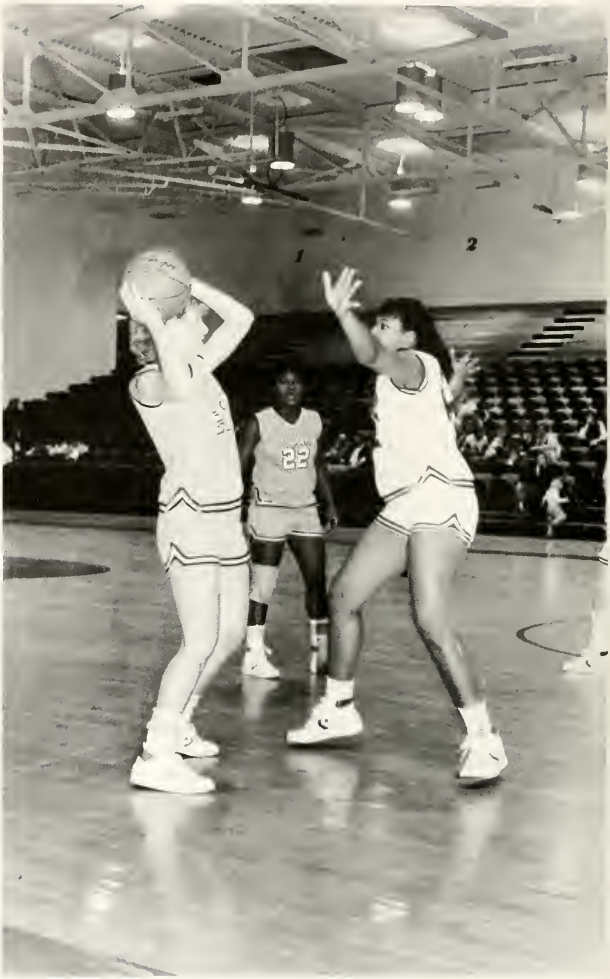
Hands up on defense!

Look up and catch!!



Lady Braves run an awesome fast break.

No defense can match Melanie's outside shot.



The entire team listens intently to Coach McKeel.

Women's Basketball

The 1985-86 Lady Braves were predominantly a Freshman team with only one returning letterman in Valerie Boyd. Although the Lady Braves were 4-20 on the year they did lose many close games and had several strong senior colleges on their schedule. Coach McKeel says the season was not a total loss in terms of figures. There will be four returning freshmen who at one time or another played starting roles for the Lady Braves. Two of those players received high honors this past season. Rosalyn Flood was named to the All-Region X team and was also named Defensive Player of the Year for the Lady Braves. Rosalyn led the entire Region in steals and was leading rebounder and second scorer for the Chowan women. Melanie Sawyer was named to the All-Conference team as was sophomore Valerie Boyd. Melanie received offensive player of the year for the Lady Braves and was voted the team's MVP by her team-mates. Sophomore Glenda Dailey was honored for her outstanding performance in the conference tournament by being named to the All-Tournament team. Two other freshmen who should make their mark next season are Judy Parsons and Barbara Lewis. One highlight for the Lady Braves this past season was placing second in the third annual Jackie Ammons Classic held at Peace College.

Braves outmatch even a three on one defense.

Did it go in or what?

Braves Conclude Season with 21-10 Record

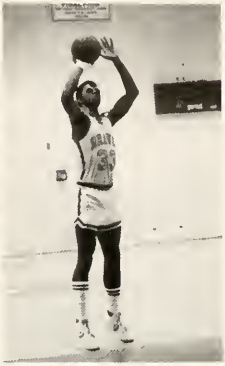
When the 1985-86 season came to an end, the men's varsity basketball team had compiled an enviable record of 21 wins and 10 losses. It marked the ninth consecutive season in which the Braves had recorded at least 20 wins. It also marked the ninth consecutive year in which men's basketball teams at Chowan had earned a berth in the Region X Tournament of the National Junior College Athletic Association.

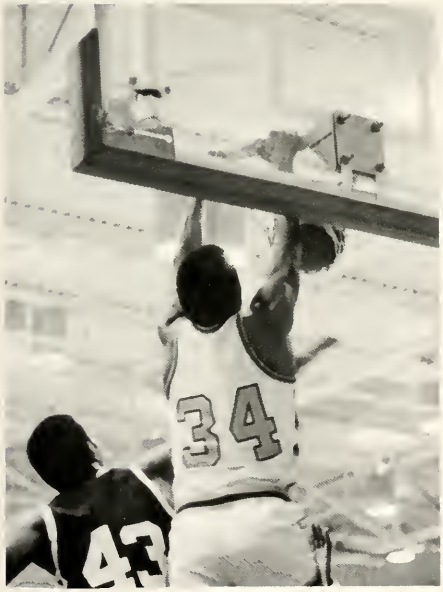
Led throughout the season by the inside play of the 6'7" "Twin Towers" (Ronnie Bellamy—17.5 points and 9.3 rebounds per game; and Kenny Reynolds—18.4 points and 9.9 rebounds per game), the team was hindered in its attempt to compile an even better overall record by the loss of Mike Pulley, sophomore point guard, throughout much of the season. Pulley sustained a wrist injury in late November which kept him sidelined until early February.

In looking ahead towards 1986-87, the coaching staff—led by head coach Bob Burke, whose six-year stint at Chowan has seen Braves teams amass an overall record of 150-41—must look to replace five sophomores, including Bellamy and Reynolds. However, the six returning freshmen (Michael Brown, Paul Debnam, Henry Ellis, Zach Herring, Bobby Ray Smith, and David Stubblefield) should provide a solid nucleus around which to build another contender for Regional and National honors.

Through the defense, up and in!

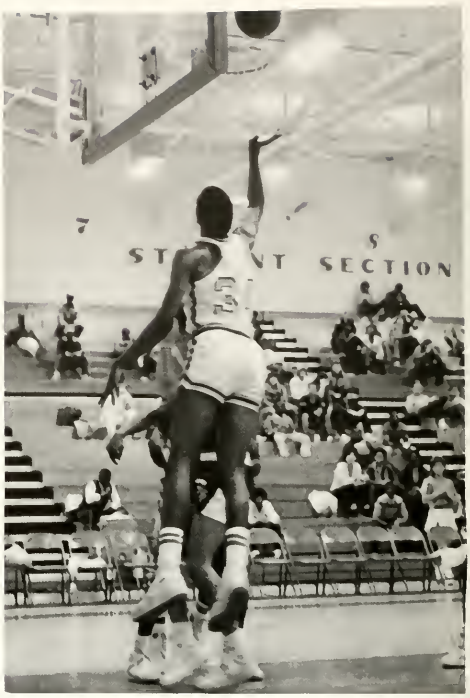
Free throw through the hoop!





Up, Up, and away!

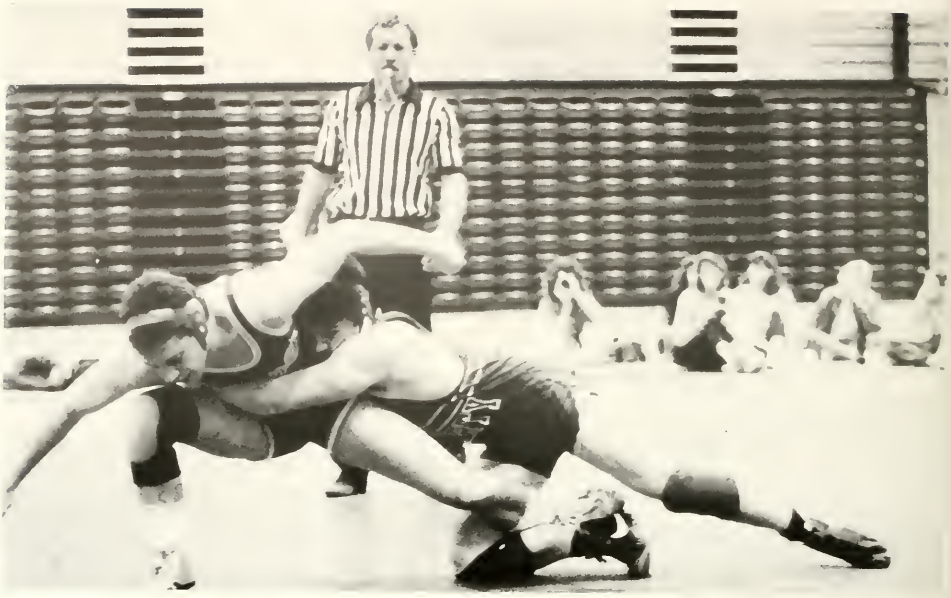
Swoosh, all night long!



Braves dunk another victory.

Free point for the Braves.

Chowan Braves escape from tangling grips.



Take Down

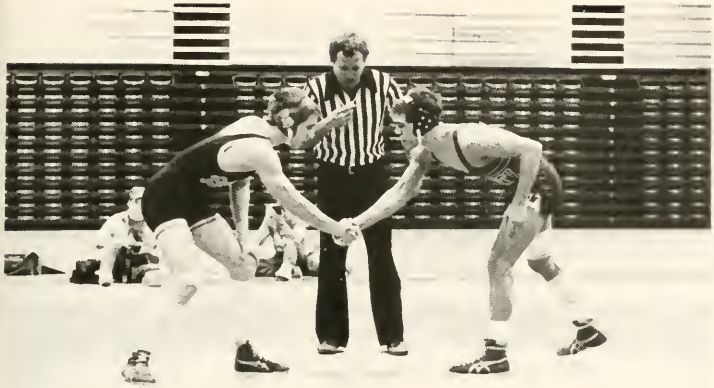
First year coach Paul Anthony's 1985-86 team was one of the most successful in the history of Chowan Wrestling. The Braves posted an impressive 10-3 record in dual meets, mainly against competition from four-year schools. Only one of three losses was to a junior college and the Braves were ranked in the NJCAA Top 20 the entire season, placing thirteenth in the final poll.

Despite some key injuries, the team placed second in the Mid Atlantic Conference Tournament and advanced five wrestlers to the National Junior College Championships at DuPage College in Chicago.

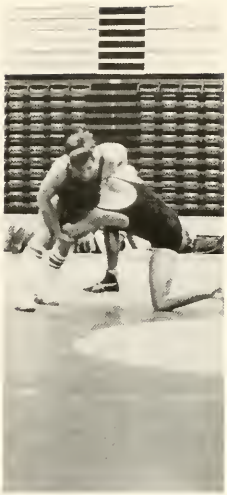
Heavyweight Dennis Cannon won his first three matches and placed sixth in the tournament, qualifying as an All-American. He became only the fourth wrestler in Chowan's history to achieve that status.

Tom Elphick (118), Ted Pitrone (142), Greg Miller (158), and Chris Moore (190) also qualified for the National Tournament and helped the Braves to a twenty-sixth place finish out of sixty-one teams.

With a team comprised of twenty-three freshmen and only three sophomores, the Braves can look forward to an even stronger 1986-87 team.



Wrestlers greet their opponent aggressively before battle.



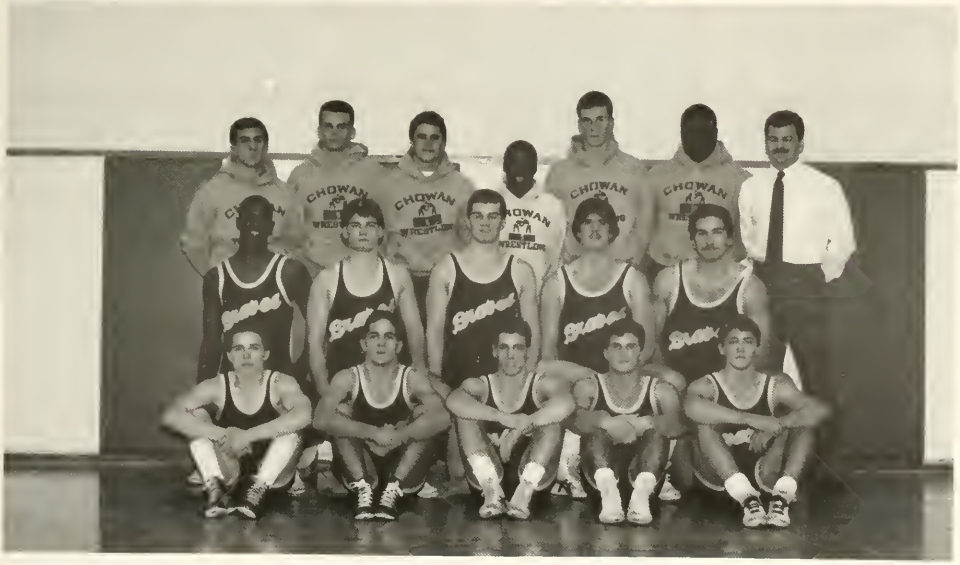
Wrestlers require strict physical fitness to be able to attack and escape their competitor.

A handshake of competitive thanks after the match.

Chowan wrestlers go for the take down.

Concentrating on the opponent's moves.

Victoriously he walks from the mat.



LADY BRAVES PLAY BALL!

Softball has taken on a new look at Chowan for the 1986 season. This was Chowan's first year in fast pitch softball and it took some time for the team to adjust. The Lady Braves had a very tough 32 game schedule with many senior colleges as their opponents. The Chowan women were under .500 during their first year in fastpitch and gave up some close and tough losses. Next year should prove to be more successful with some top softball recruits and their first year of fastpitch behind them.

Each player warms up before batting.

Many spectators gather to watch the game.

The dust flew after a slide into homeplate.

Left handed batters are into right field.

Grand slam potential.

A quick dive just before being tagged out.

No goofiness at bat.

Pitchers are the beginnings of a team.

A pop fly is an easy out for an accurate outfield player.

Foul Ball!!

It's over the fence, out of the park!

Chowan pitchers pitch a no hit game.

Pitcher, Kevin Huffstetler, rares back to release an awesome pitch.

The intensity of the pitch reveals great concentration on Kevin's face.

CHOWAN BASEBALL

The Chowan Braves' baseball team for 1985-86 is composed of 12 sophomores and 14 freshmen. Second year players include Brad Abernethy, Danny Acree, Gary Besnier, Chris Gross, Bret Tollar, John Miller, Todd Purdham, Luke Reir, David Richardson, Mike Roddy, Eric Woodworth and Billy Wright. The freshmen, wearing the "Braves Blue" for their first season are: Alvin Allen, Matthew Carstens, Steve Clark, Scott Closter, Walter Denby, Todd Fischer, Mike Flasdey, Jay Fogleman, Darrell Garrison, Kevin Huffstetler, Phil Phelps, Church Seymour, Tracey Stillwell and Dean Thomas. Serving as trainer/manager is Tracy Mosokovic, with Berry McElhannon as the manager.

The Chowan baseball squad is coached by Jerry Lee Hawkins, who has many years of experience at the helm. The Braves, always striving for perfection, will attempt to improve upon their last year's season record of 20 wins and 14 losses.

Chowan baseball...a serious competition.

Get out of the way!!

Where is it?

I got it!

Conference on the field.

Raring back to throw the fast ball.

CHOWAN GOLF

The Chowan College Golf Team completed their Fall play with a very impressive record. With a majority of the matches against four year schools, the team finished with 15 wins and 6 losses.

Chowan won the Old Dominion Golf Club, Hampton University Invitational Golf Tournament at Hampton, Virginia, with a team total of 588. The teams participating were: Newport News Apprentice; Christopher Newport; St. Augustine; Longwood, Va.; Wesleyan; Ferrum, Va; Union and Hampton University. Individual scores for Chowan were: Todd Heath-146; Hub Galbraith-148; Gregg Armbruster-149; Tim Guffee-149; and Terry Tierney-150.

Chowan College hosted a one day tournament, played at Beechwood Country Club, October 14. Chowan won the event with a play-off victory over Newport News Apprentice on the second hole. The team score for the tournament was 309. Teams participating were: Newport News Apprentice, Lenoir, Louisburg and Longwood. Individual scores for Chowan were: Terry Tiernery-75; Hub Galbraith-77; Gregg Armbruster-77; Tim Guffee-80; and Todd Heath-81.

Playing in the Ferrum Invitational Golf Tournament at Olde Mill Golf Course, Chowan finished fourth. There were seven teams in the 2-year division. Greg Armbruster, with the best score for the two day event, shot 160. The best score for the two day event, with twenty teams playing, was 153, by Lane Patrick, of Liberty University and Stephen Johnson of Anderson College.

Coach Sowell was pleased with the play of this team. Looking to spring play, he is looking for his sophomores to do well. The sophomores are: Todd Heath of Midlothian, Va.; Hub Galbraith of Naples, Fla.; Gregg Armbruster of Mt. Laurel, NJ; and Terry Tierney of Milford, Ct.

If Coach Sowell can pick up two or three good freshmen for the Spring, the team should have an outstanding year.

1985-86 Golf Team

Front row: Hub Galbraith, John Pendleton, Gerald LaForge. Back row: Coach Sowell, Todd Heath, Tim Sumner, Gregg Armbruster, and Tim Guffee.

Spring Golf Schedule

March 13
Lenoir Community College at Falling Creek

May 11, 12 & 13
Region X Tournament at Hickory, NC

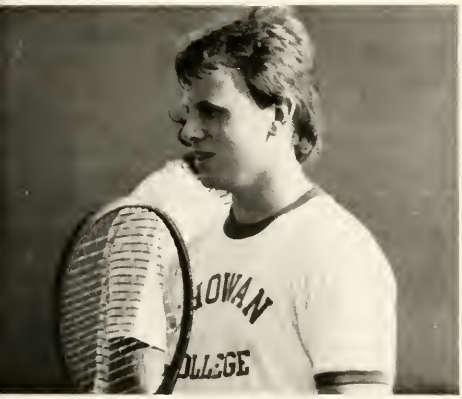
June 3 - 6
National Tournament
at Conroe, Texas — Club Del Lagos

Tennis Anyone?

There is much activity on the tennis courts near Parker Hall during the spring months, as the Chowan Tennis Team practices for the new season, and later, meets intercollegiate opponents. The team, under the coaching of Bob Burke, expects to post a winning season and earn additional trophies to be housed in Helms Center.

Billy concentrates on the volley.

Swinging back for the serve, Billy hits the ball accurately.



1986 Tennis Schedule

April 8	Pitt Community College
April 10	Craven Community College
April 11	Pembroke State University
April 15	Newport News Apprentice
April 17	Mt. Olive College
April 24	Mt. Olive College
April 28	Craven Community College
May 1	Pitt Community College

The advanced modern jazz class rehearses a routine to a Phil Collins tune for the Spring recital in May.

Are you stretching?

Dorsey perfnrms on stage during the fall recital.

Music, Sweat, and Dance

Marla Hunnings, dance instructor at Chowan, is a major asset to the College's Physical Education Department because of her love of dancing, fun-loving personality, and motherly care for all students. Not only does she teach jazz, tap, and ballet to college and community students, hut she is in charge of the Chowan Bravettes and jazzercize as well. She has taught dance in the Upward Bound Program for nine years and holds classes at Paul D. Camp Community College in Franklin, Va. In addition, Mrs. Hunnings annually choreographs dance and poise routines for the Jaycees' Miss Ahoskie Pageant and routines for the Chowan Department of Fine Arts Productions. Many of these dance activities will soon be held in a completely outfitted dance studio in Daniel Hall; Mrs Hunnings and the students are looking forward to this.

Mrs. Hunnings' dancing career began with her singing on a local radio station and her two year training at the Elmira Furgeson School of Dancing. She performed in various off-broadway productions like "Damn Yankees" and "Guys and Dolls". Before coming to Chowan, she worked for 6 weeks with Al Gilbert of Hollywood, California who has taught many Hollywood celebrities such as Annette Funicello of the Mousekeeters and has choreographed the Pinky Lee T.V. show. During the workshop, Mrs. Hunnings had the opportunity to train Michael Landon's and Carol Burnette's children.

After "learning the ropes" the hard way, she has dedicated her life to helping others learn and appreciate the art of dance. In her classes one goes about the hard work of learning the proper technique of body and barre work; jazz, tap, and ballet terminology; and routines to be performed.

Some of her students have continued studying dance with Tidewater Ballet, Old Dominion University, U.N.C.G., N.C. School of the Arts, New York City University, Richmond Ballet, Randolph-Macon, Univ. of South California, and Young Americans.

Having a teacher like Mrs. Hunnings makes learning exciting and enjoyable because she gives students the personal attention and encouragement they need. Her capacity to love unconditionally and her jovial personality inspire individuals to develop confidence and self-esteem.

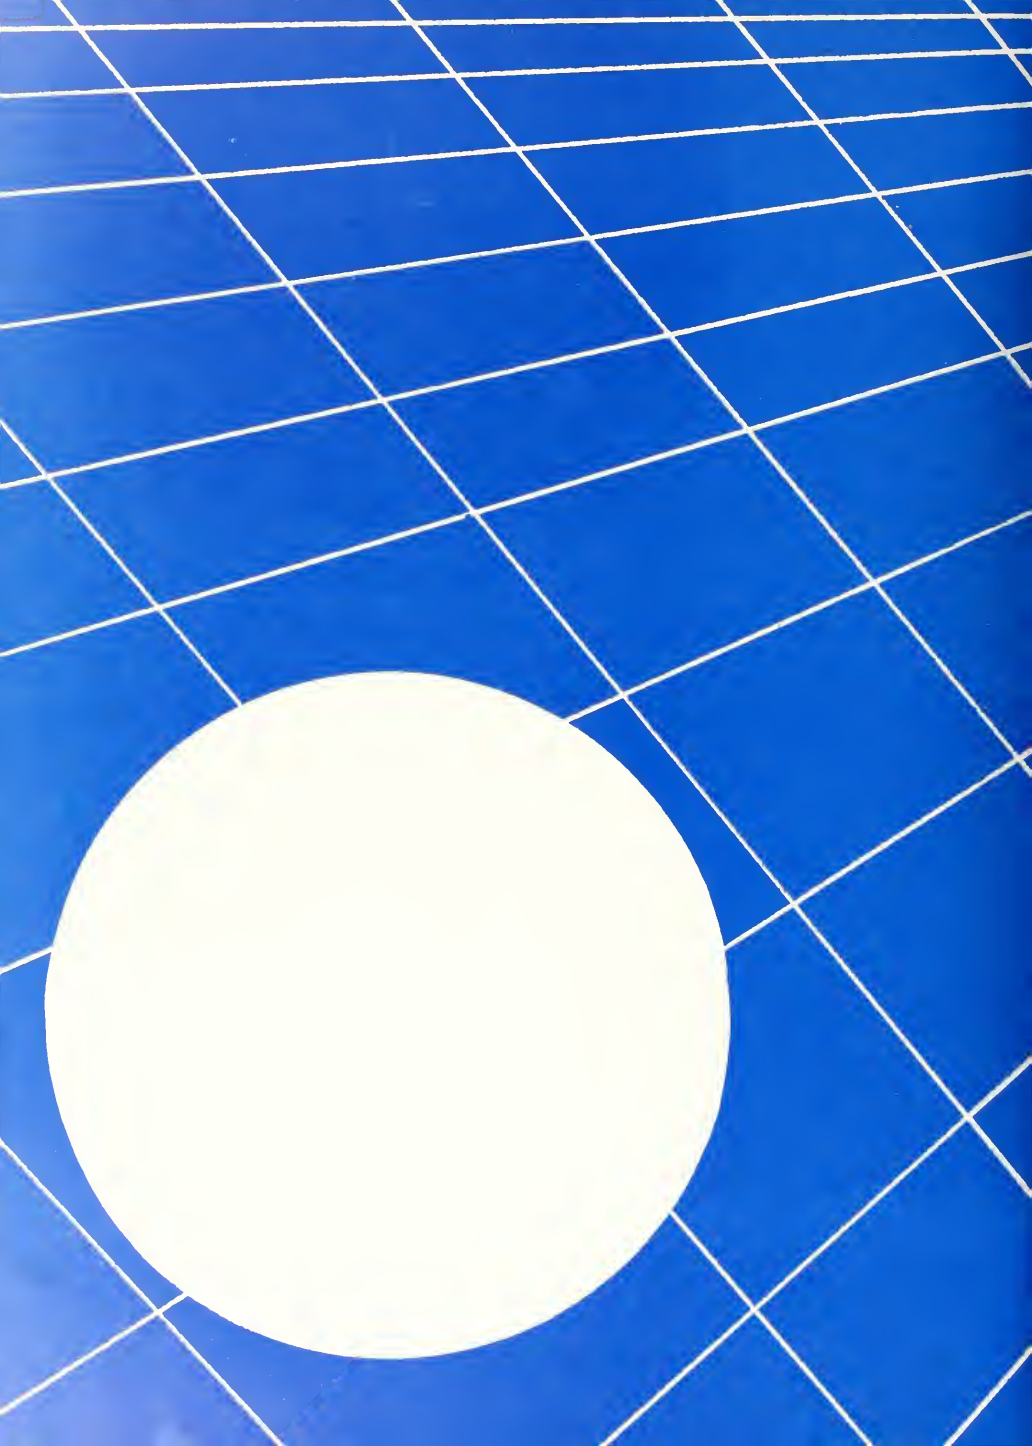
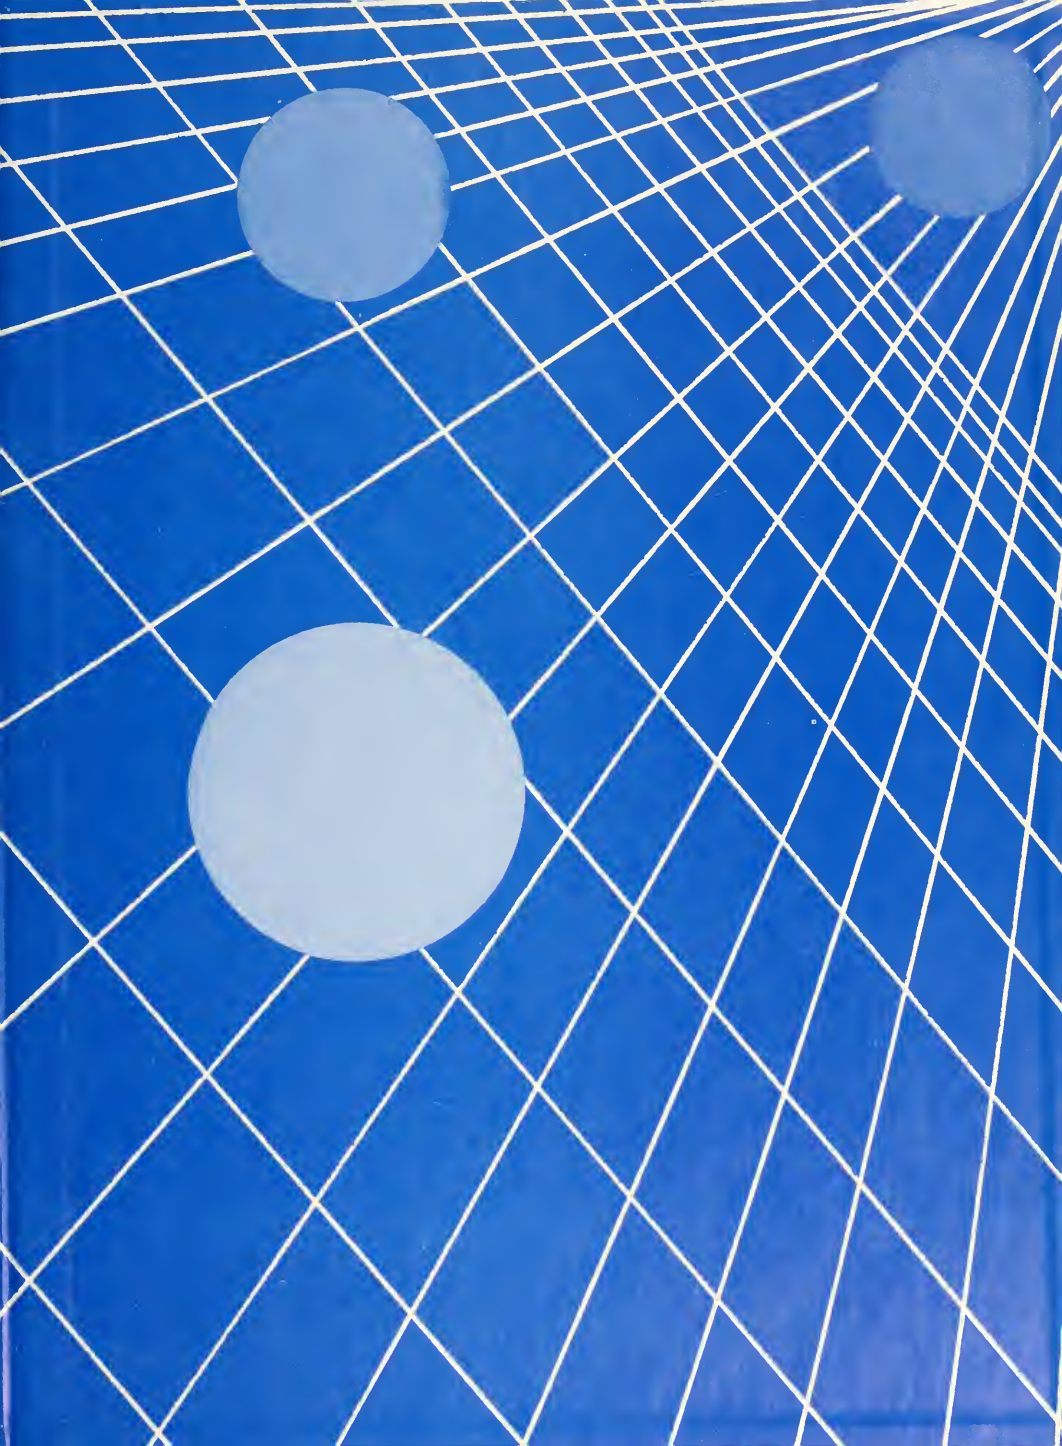
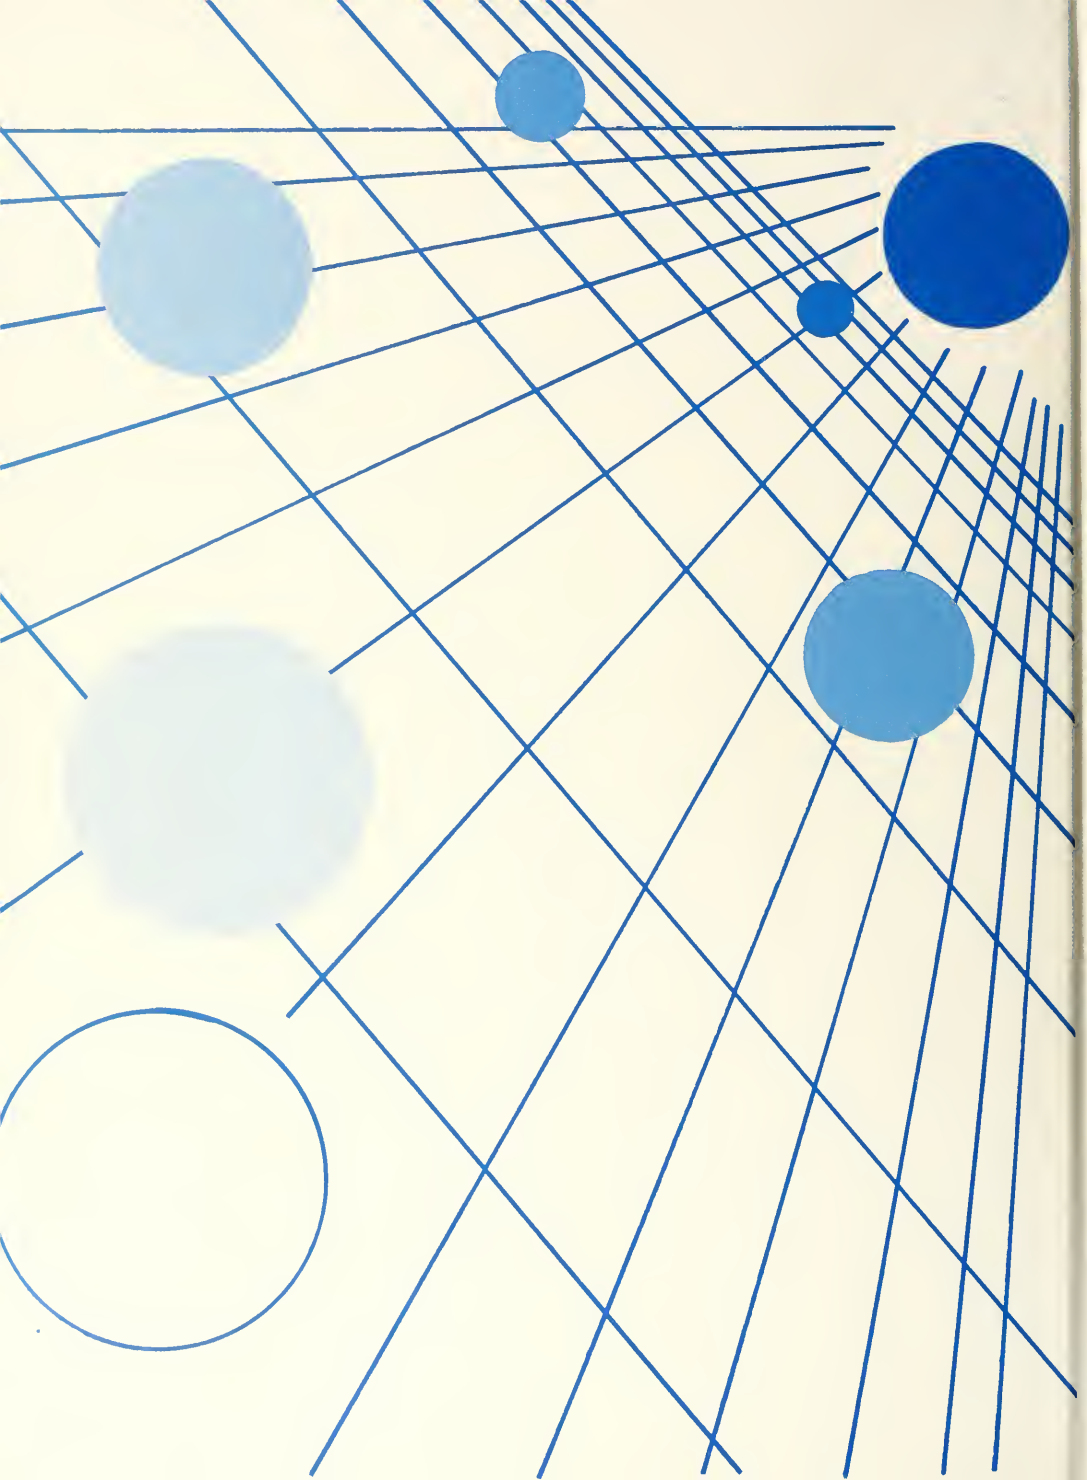
COLOPHON

The 1985-86 Chowanoka was written, edited and designed by the staff members, with the aid of Mr. Herman Gatewood, in Publications Workshop class, which is an one hour class held on Tuesdays and Thursdays. The preparation and publication of The Chowanoka was a tremendous task that required hard work and dedication. From cover to cover The Chowanoka consists of planning, layouts. pictures and time which were combined to record a year of history, captured in book form. The Chowanoka would not have been published were it not for the assistance of many people at Chowan College. To all these people . . . Thank You.

A very special "thank you" goes to the hard working faculty, staff and work-study students in the Graphic Communications Department. The Chowanoka's design, typesetting, camera work, platemaking, printing, folding, collating, and distributing all are individual jobs required for the completion of the book. A special "thank you" with a feeling of gratitude to all the people involved in the creation of the 1985-86 CHOWANOKA.






The 1986 Chowanoka Staff
and Co-Editors
Lorraine Harrison
Beth Hawk
Steven Jackson
